UPCOMING LAYOUT CHANGES - SHANDS ROAD AND MARSHS ROAD

From late July 2019, a series of staged layout changes will take place at the new Shands Road Interchange.

- Shands Road traffic will be diverted over the new bridge in stages – southbound first.
- The 'new' Marshs Road, between Springs Road and Shands Road will be opened to two-way traffic. There will be no right turn out of 'new' Marshs Road onto Shands Road or right turn into 'new' Marshs Road from Shands Road.
- Please follow all on-site signage and drive to the conditions, as traffic management and temporary speed limits will be in place.
