Subject: Minor Errors in Draft Report - Waterview Connection

Hi Kim,

I would like to comment on some minor errors in the draft report, as allowed under section 149Q(4) of the RMA

Volume 1

1. Page 261 - Item [1018] - States "Three Pony Club Groups and two members made submissions..."
We are not a pony club group, but an independent equestrian advocacy group not affiliated with NZ Pony Clubs Association, who happens to support the pony club in their submissions.
2. The name of our group is NZ Horse Recreation (not "NZ Horse and Recreation")

Volume 2

SO.12-- Page 72, (a) bullet point one - slight typo "ponies and hoses " - correct to ponies and horses

Thanks
