

Eastern Corridor future priorities

State Highway 30 (Te Ngae Road from Sala Street to Owhata)

The project will deliver:

- » Ensuring Te Ngae Road infrastructure supports its arterial function
- » Balancing the needs of local road users with regional traffic
- » Reviewing if changes are needed to the local road hierarchy
- » Reviewing local road connectivity and accommodating growth

The short list of options are:

OPTION 1

Four lanes / new roundabout at Basley Road

OPTION 2

Four lanes / new roundabout at Basley Road / improved roundabout at Owhata Road

OPTION 3

Four lanes / traffic lights at Tarawera, Iles, Basley and Owhata Roads

OUR PICK

OPTION 4

Four lanes / intersection improvements at Tarawera, Iles, Basley and Owhata Roads
