Appoint Contractor

Nov 2015

The Transport Agency has entered into a competitive Alliance with Fletcher Construction, Beca, Higgins, and Coffey.

Detailed design

Dec 2015 to Mar 2016

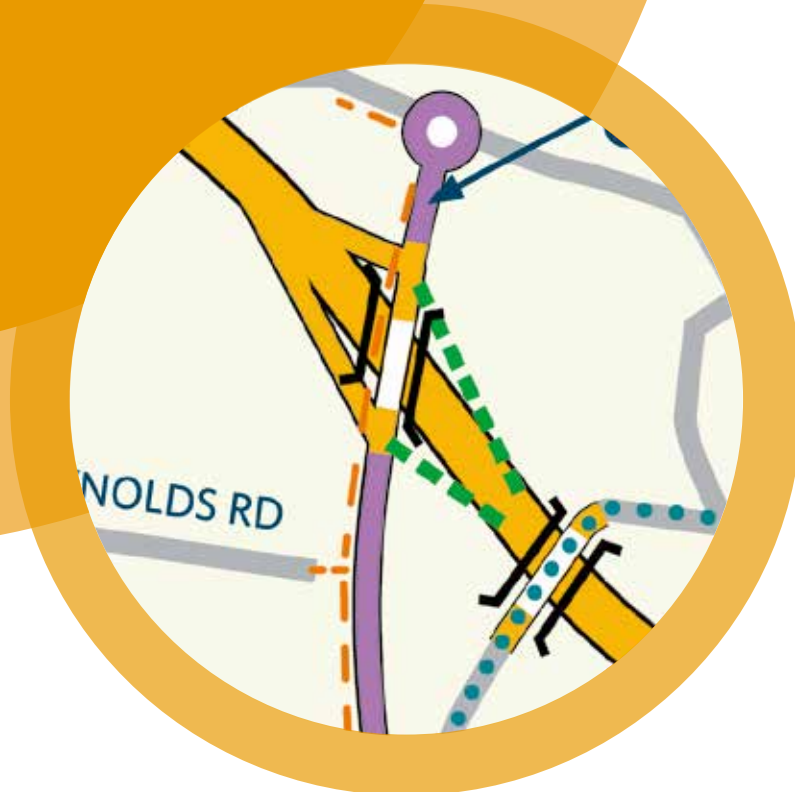

The Alliance will prepare the detailed design for the project as well as the various management plans required as part of the designation and consent conditions to enable works to commence. These plans include how to manage any impacts of construction, including construction traffic, noise and dust.

Recommendation

Mid - Late 2016

A recommendation on the NoR and a decision on the resource consent applications will be issued.

RMA Approvals

Early 2016

Notice of Requirement (NoR) and resource consents submitted for Resolution Drive connection to the Expressway and the Horsham Downs Link. The NoR and resource consents will be publicly notified by the respective Councils and will be open for public submissions.

Construction

Late 2016

Full construction of the Hamilton Section to commence.
