

Waikato Expressway

Longswamp Section

Information Sheet January 2015

WHAT'S BEEN HAPPENING

- Investigations for the Preferred Option completed in 2014
- The updated scheme assessment report, which interprets the data gathered from the investigations and makes a detailed assessment of the option:
 - > concludes the Preferred Option is viable
 - > recommends that further investigations are undertaken for detailed design and the project proceeds to the consenting phase early 2015
 - > the report is peer reviewed and approved in December by the Transport Agency's decision makers.
- The land acquisition process is scheduled to begin in early 2015. If land is required from your property, you will be contacted from February 2015 onwards.

For more information
 on the project visit:

 longswamp](http://www.nzta.govt.nz/longswamp)

Rolling out the Longswamp Section:

Land purchasing process	Under way
Application to alter designation (Notice of Requirement) and resource consent applications	June 2015
Draft construction drawings	Mid-2015
Produce tender documents	Late 2015
Construction begins	2016
Construction finishes	2018

Come along to the sections open day

A public information day is to be held for the Longswamp and Rangiriri sections of the Waikato Expressway on:

Wednesday 11 February 2015

Any time from 3pm-7pm

Te Kauwhata Rugby Club

The Domain, Mahi Rd

Te Kauwhata

Construction work on the Longswamp Section is due to start in 2016. Representatives of the NZ Transport Agency and their engineering, property and resource management consultants will be available to answer your questions at the open day.

This is your opportunity to provide feedback to the project team.

Information will also be available on the progress of the Rangiriri section, which is well under way and due for completion late next year.

All welcome, we look forward to seeing you there.
