

Sealing the shared path beside the expressway

The shared path that runs from Mazengarb Road to Peka Peka beside the Kāpiti Expressway is being chipsealed. The path for cyclists and pedestrians is sealed at the southern end of the expressway and this work will extend the sealing to the northern end.

Cyclists, pedestrians and horse riders:

Please be aware that sections of the shared path and the bridle path will be closed from time to time during the preparatory and sealing works. You may need to detour onto local roads to avoid worksites.

Timetable:

Monday 13 May to Friday 17 May
Monday 20 May to Wednesday 22 May
7am-5pm

Order of works:

1. Mazengarb Road to Otaihanga Road
2. Otaihanga Road to Waikanae River Bridge
3. Puriri Road to Te Moana Road
4. Te Moana Road to Ngarara Road
5. Ngarara Road to Ngā Manu Access Road
6. Ngā Manu Access Road to Smithfield Road
7. Smithfield Road to Peka Peka Road

Please note: Rain will cause postponement to the next suitable dry day as it prevents the seal from setting.

Thank you for your patience while this work is underway.

Any queries, please contact Lynsey Morgan at Capital Journeys, the WSP Opus and Fulton Hogan joint venture which is undertaking the work on behalf of the NZ Transport Agency: lynsey.morgan@capitaljourneys.co.nz or **027 202 1670**.
