Free bus service authorised to use Hataitai Bus Tunnel

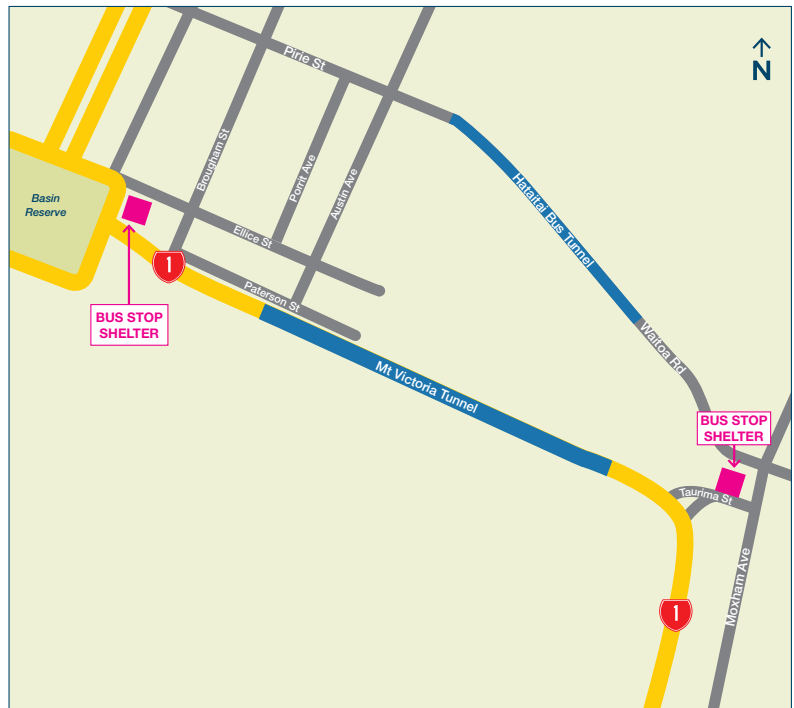

The free shuttle van operating during Mt Victoria Tunnel night closures is now authorised to use the Hataitai Bus Tunnel to transport pedestrians and cyclists from one side of the hill to the other.

The van with trailer has been officially rebranded as a bus service following an agreement with Greater Wellington Regional Council. The new route is quicker and more efficient than the previous detour via Newtown.

Mt Victoria Tunnel is closed Sundays to Thursdays 9.00pm – 6.00am until mid-2016 for Upgrade Stage 2.

Thank you for your patience while works are underway.
