PEKA PEKA TO ŌTAKI EXPRESSWAY

I am writing on behalf of the Peka Peka to Ōtaki Expressway Team who are developing proposals for the expressway. The purpose of this letter is to inform you of the upcoming public consultation for the expressway proposals, which include the form, function, and location of interchanges and connections.

The Peka Peka to Ōtaki route has been identified as one of eight sections in the Wellington Northern Corridor (Wellington Airport to Levin) road of national significance requiring improvement to ease congestion and improve travel time reliability.

The six-week period of public consultation will be held from 7 February to 18 March 2011. The consultation will include project open days at Ōtaki and Te Horo. The dates and locations are:

Saturday 12 February	10am–4pm	Ōtaki Memorial Hall
Thursday 17 February	2–8pm	Te Horo Community Hall

We welcome you to attend the open days to find out more about the Peka Peka to Ōtaki Expressway. However we are happy to discuss the project on another occasion during the consultation period if you would prefer. Please contact Dean Ingoe to arrange a time if you would like us to meet with you (phone 04 471 7940 or email dean.ingoe@opus.co.nz).

I look forward to hearing from you and if you have any queries concerning this request please do not hesitate to contact me.

Yours sincerely

Andrew Quinn
Senior Project Manager
