

East Taupō Arterial safety improvements

Key

Stage 1	From SH5 to Centennial Avenue. Completed in 2022.
Stage 2	In design for works to be done 2024. Subject to funding.
Stage 3	<p>Design being finalised by the end of 2023 and work expected to start early 2024.</p> <p>Stage 3 involves making this stretch of SH1 safer by:</p> <ul style="list-style-type: none"> ▪ Installing flexible median safety barriers to prevent head-on collisions. ▪ Putting in roadside safety barriers where the shared path runs beside the highway. ▪ Widening the road shoulders to give drivers more room to pull over in an emergency. ▪ New line marking and safe-hit posts where needed. ▪ Reconstructing and resealing.
