

MANGAMUKA GORGE ROAD CLOSURE

Waka Kotahi NZ Transport Agency is repairing a large slip on State Highway 1 between Mangamuka and Kaitaia. Part of the road is currently closed.

The official detour route is via State Highway 10 and will add an additional 20 minutes to the journey. This route is safe for all vehicles, including heavy and freight vehicles.

The Twin Coast Discovery Route is also open and provides a scenic alternative for light vehicles and campervans.

Repairing the road is expected to take several months, though we aim to have one lane open for three weeks from 18 December to cover the holiday period.

Thank you for your patience.
