What	We'll be temporarily closing some roads
Where	Lagmhor Road and Agnes Street
When	From Monday 31 July, for approximately 3 weeks. Our work is weather dependent and may need to be rescheduled to the following shift(s).

What are we doing?

From Monday 31 July, for approximately 3 weeks, we will be working on Lagmhor Road and Agnes Street. Our works will include further installation of traffic signal ducting, new kerb and channel and footpath construction which requires these roads to be closed during this time, as shown below.

Traffic and pedestrian impacts

The road closures will be in place from Monday 31 July for approximately 3 weeks. There will be no access in or out during this time so please use the signposted detour routes.

Please look out for our staff and follow their instructions. Footpath access around our work site will be maintained.

Also, please look out for changes in traffic management and follow signs on site. A 30kph speed limit will be in place.

***We are doing our best to give you accurate timeframes but unforeseen issues like weather, buried obstructions and unknown services can make work take longer.
We're sorry for any disruption and thank you for your patience.***
