

# Overnight closures of the Remutaka Hill Road

From Sunday 10 November, you'll need to plan your travel around overnight closures of State Highway 2 over the Remutaka Hill.

Before: Unsafe working environment, constant stop/go delays for road users

Night-time closures: Safer workers, greater productivity, fewer daytime delays for road users

The 14km Remutaka Hill Road will be closed on four Sunday nights and three blocks of five nights between 10 November 2019 and 14 September 2020 for its annual programme of essential maintenance and slip prevention works.

The night-time closures will increase safety for maintenance crews, significantly reduce the number of daytime disruptions for road users on the Hill Road and enable better quality of maintenance work. Since the March night-time closures, stop/go works have dropped 95%.

The dates for the closures are fixed and will not be changed. This will provide certainty for our customers so they can plan ahead.

## What you need to know

- SH2 over the Remutaka Hill will be **closed for one night** from 9pm to 4am, Sunday 10 November to Monday morning 11 November, and **closed for five nights** from Sunday night 24 November to Friday morning 29 November.
- **Further night time closures are scheduled for 2020**, starting with five consecutive nights from 9pm to 4am on Sunday night 12 January to Friday morning 17 January, and Sunday night 3 May to Friday morning 8 May. The remaining one-night closures are scheduled for Sunday 5 April, Sunday 12 July and Sunday 13 September, also 9pm to 4am.
- More information about the closure can be found at [www.nzta.govt.nz/remutaka](http://www.nzta.govt.nz/remutaka)
- A limited shuttle service is available for night shift workers and others with essential commitments. For this and other information, please contact us at [remutaka@nzta.govt.nz](mailto:remutaka@nzta.govt.nz)
- Access will be available for emergency services throughout the closures.
