

# 12 people dead, 42 seriously injured\*

\*Between 2006 and 2015

*They're whānau,  
mates, neighbours  
and friends.*

Something has to change.

Many of these crashes were head-on collisions or involved vehicles running of the road.

We're making changes to the road to help prevent further crashes like this.

It's about making sure simple mistakes don't cost lives.
