

Roadwork detour northbound

We're working to make SH57 safer for everyone

Roadwork on SH57 will close the **northbound** lane, in stages, between the intersection with SH1 and Heatherlea East Road, Levin on Sunday 9 January 2022 depending on the weather.

The southbound lane on SH57 and east-west connections across SH57 will remain open.

The posted speed for sections under construction will be 30-50km/h, 24 hours 7 days.

People travelling to Palmerston North need to detour on SH1 to Himatangi, Rangiotu Road and SH56.
