

SH73 West Melton Intersection Improvements

What	We'll be temporarily closing some roads
Where	Weedons Ross Road (south) and West Melton Road at the SH73 West Coast Road intersection (see map over the page)
When	Monday 9 January 2023, for a week

What are we doing?

From Monday 9 January 2023, for a week, we will be working in the intersection of Weedons Ross Road and SH73 West Coast Road. Our works will include the construction of new kerbs and road pavement which require the closure of Weedons Ross Road and part of the intersection, as shown over the page.

Traffic impacts

The road closure and traffic management will be in place from Monday 9 January 2023 for a week. During this time, there will be no access onto SH73 West Coast Road from Weedons Ross Road (south) (and West Melton Road) so please use the signposted detour routes.

SH73 West Coast Road and Weedons Ross Road (north) will be temporarily controlled by traffic lights during these works. Our friendly staff on site can also assist with any queries. Footpath access around our work site will be maintained. A 30kph speed limit will be in place so we can keep our workers and everyone safe.

Please note: access has been planned for and will be provided for emergency services during this time.

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.
