

# SH73 West Melton Intersection Improvements

Waka Kotahi NZ Transport Agency has awarded the contract for the construction of changes to the intersection of State Highway 73 and Weedons Ross Road, including the installation of traffic signals, and associated safety improvements to Fulton Hogan.

## What work is coming up?

Initially, we will establish the work site and hydro-excavate to locate underground services in the project area.

This is noisy work and will continue for several hours at a time. We apologise for any inconvenience this might cause.

We will also test ground conditions around the project area and begin the construction of the link road between West Melton Road and Weedons Ross Road to assist with traffic movements around our site.

Example of hydro-excavation

## Traffic Impacts

A 30km/h speed restriction and other traffic management will be in place during the work. Please drive with care when travelling through the work site, allow extra time and pay attention to signs and changes to the road layout.

Two lanes will be open to traffic for the majority of the works, with several temporary traffic management layouts installed as the project progresses. These will be communicated closer to the time. To keep school students and other pedestrians and cyclists safe, pedestrian refuges will be maintained, along with temporary fencing sitewide.

We will update you ahead of any significant changes to the work site as the project gets underway.

## GENERAL INFORMATION

The majority of the work will be carried out from Monday to Friday between 7:00am and 7:00pm, and on Saturdays and at night if needed. When work is required to be undertaken at night, this will be communicated to those potentially affected. Measures will be in place to minimise noise, dust and vibration levels.

## CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.
