Why?

Urgent wire rope repairs

How will it affect me?

Vibration and noise: there may be a low level of noise and vibration from the heavy machinery used to do the repairs.

Traffic control and impacts: Signage and cones will be in place. Detour route will add 5-10 minutes to your journey time.

Emergency services: Emergency services travelling on emergency/priority response will always be assisted through the site safely and promptly. All operations will halt for emergency services.

Worksite: A temporary signage notifying vehicles of road closure will be in place during the night works.

Who to contact: If you have any questions about this work, please phone us on 0800 HIGHWAYS (0800 44 44 49) or email info@trec.nz.
