

# Walnut Avenue Intersection Improvements

<b>What</b>	We'll be temporarily closing an intersection to surface the road
<b>Where</b>	Walnut Ave and East Street intersection
<b>When</b>	Sunday 20 March, 7am - 7pm (or Monday 21 March in the event of bad weather)

## What are we doing?

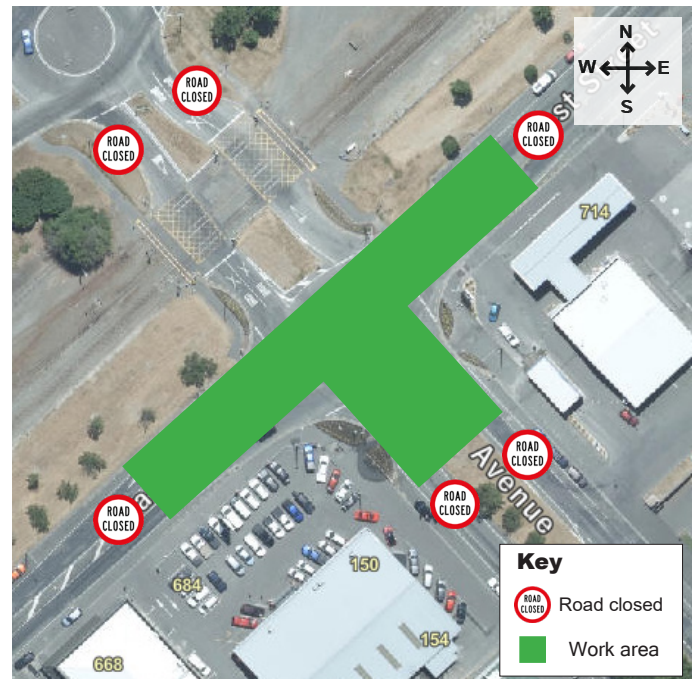

On Sunday 20 March, from 7am, we will be completing the asphalt surfacing on the Walnut Ave/East Street intersection. To do this work we need to close the Walnut Ave and East Street intersection. This work can only be done if the weather is dry and warm so if the conditions are poor we may need to move this work to Monday 21 March.

## Traffic Impacts

The road closure will be in place from 7am Sunday 20 March until 7pm. There will be no vehicle access in or out of the intersection during this time.

Please note - if we have to postpone this work to Monday 21 March, we will use a slightly different traffic management layout that will reduce delays and allow one-way access to businesses.

Detours will be in place, please follow the signs. Our friendly staff on site can also assist with any queries. Footpath access around our work site will be maintained. A 30kph speed limit will be in place so we can keep our workers and the public safe.

**We know this work is disruptive so we appreciate your patience and understanding. Thanks for your cooperation.**

## CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.
