

**WHĀNGĀREI  
 TO TE HANA**

*The NZ Transport Agency is undertaking a long-term programme of investment in State Highway 1 (SH1) between Whāngārei and Auckland. This investment aims to improve the safety, reliability and resilience of the state highway between Whāngārei and Auckland for local communities, visitors and freight.*

**SH1 BETWEEN TAREWA ROAD AND TOETOE ROAD, WHANGAREI**

One of the projects, between Whangarei to Port Marsden Highway, involves upgrading SH1 to a four lane urban arterial road. As part of this project, the NZ Transport Agency is proposing extra lanes between Tarewa Road and Toetoe Road. This area is under increasing pressure from development and based on current growth predictions, four laning is required to meet expected capacity over the next 10 years.

Upgrading SH1 to four lanes will allow traffic to flow more smoothly through Whāngārei and reduce queuing at key intersections. The proposed improvements include:

- Intersection improvements such as traffic lights, road widening and roundabouts, for better connectivity and journey time reliability in urban Whangarei
- A central median barrier to separate north and south bound traffic to improve safety. The addition of a central median will mean that right turns will no longer be possible, affecting some residents ability to turn right from their driveway and right turns at some intersections.

- New footpaths and safer crossing points to improve safety for pedestrians
- Improved facilities for cyclists

**WE WANT TO KNOW MORE ABOUT THE AREA**

In August-September we undertook public consultation on the Whāngārei to Te Hana programme and received more than 800 pieces of feedback on the proposed route options. During the consultation, we didn't receive any feedback regarding the proposed extra lanes to SH1 between Tarewa Road and Toetoe Road, Whangarei and we therefore need more information to help us develop a preferred option.

We're still in the planning stage and to help us develop a preferred option for the urban section of the project, we want to know more about how you move through the area – as a driver, a passenger on a bus, walking, and cycling. Your feedback will help inform some of the urban design elements such as the type of intersection design, location and form of paths, and the way we enable people to cross the highway safely.

**HAVE YOUR SAY**

To give feedback:

- Complete and return the attached feedback form
- Visit us online at [www.nzta.govt.nz/W2TH](http://www.nzta.govt.nz/W2TH)
- Speak with us in person at the Otaika shops on Thursday 25 January from 10am to 1pm.

Please provide your feedback by Sunday 4 February 2018.

# FEEDBACK FORM

The NZ Transport Agency is proposing extra lanes between Tarewa Road and Toetoe Road as part of the wider Whāngārei to Auckland programme of work and will provide a safer, more reliable and resilient SH1. Your feedback will help inform some of the urban design elements such as the type of intersection design, location and form of paths, and the way we enable people to cross the highway safely.

**Please complete this form, fold and return post to us by Sunday 4 February 2018, to go in the draw to win a hamper from Otaika shops worth \$100.**

**Q1.** *What do you like most about living/working/studying in the area?*

---

---

---

**Q2.** *How did you get to school/work/shops today?*

---

**Q3.** *What do you see as the key issues and problems along this section of the State Highway for:*

*Drivers:* 

---

*People catching the bus:* 

---

*Pedestrians:* 

---

*Cyclists:* 

---

There are elements that we need to consider when planning and upgrading SH1 to a four lane urban arterial road, this includes the areas and places that are important to the community. This will help us understand how the project could impact them, both positively and negatively.

**Q4.** *Tell us the places that are important to you in the area - use can mark these on the map on the left.*

---

---

**Q5.** *Tell us where you cross SH1? You can mark where you cross on the map left.*

---

**Q6.** *How would you like to be engaged with in the future?*

---

---

**Q7.** *How did you hear about this project?*

---

---

**To send in your feedback form:** 1. Please answer the questions on both sides of this page. 2. Tear along the perforation 3. Fold into 3 at the designated marks. 4. Adhere this edge with glue or tape. 5. Return completed form by freepost or at a drop-in information session.

# TELL US ABOUT YOURSELF

## I live in (tick box)

Whāngārei

Portland

Otaika

Ruakaka

Waipu

Kaiwaka

Te Hana

Somewhere else: \_\_\_\_\_

## I am a regular traveler on SH1 between Auckland and Whāngārei

Yes

No

## If you have answered yes, please explain what best describes your reasons for travel

Commuting to work

Moving goods/freight

Travelling to school

Other (please describe

below)

Please provide your contact details if you would like to stay in touch with the Whāngārei to Te Hana project.
