Welcome to TMP for Christchurch

This website has been set up by Christchurch City Council & New Zealand Transport Authority to streamline the submission process of Traffic Management Plans within the Christchurch Area.

If you are an STMS operating in the Christchurch Area you must use this system to submit your Traffic Management Plans to CCC and NZTA.

Please keep up to date with the news and info section of this website where information relating to best practices, guidelines and changes to the TMP for CHCH system will be published.
