

HPMV 23m truck and simple trailer

- Note 1** Axle groups can be replaced with alternate groups at the same axis points
- Note 2** Up to 1000mm overhang is permitted front and rear but maximum width of overhang is 2000mm
- Note 3** To exceed the gross mass limit of 40,000kg, you must provide an engineering certificate in accordance with 4.3(9) of the Land Transport Rule: Vehicle Dimensions and Mass 2016.

The information requested is required to confirm that the vehicle meets the dimension thresholds provided in Waka Kotahi NZ Transport Agency-approved proforma designs for high productivity motor vehicles and to support an application for a High Productivity Motor Vehicle Permit under the Land Transport Rule: Vehicle Dimensions and Mass 2016.

Waka Kotahi (and its agents) will hold, store, use and disclose any personal information collected on this form in accordance with the Privacy Act and the Land Transport Act.

You're entitled to access, and request the correction of, any readily retrievable personal information held about you by Waka Kotahi. You can do so by writing to us at Private Bag 11777, Palmerston North 4442 or by emailing: info@nzta.govt.nz

This section to be completed for entry certification or VIN applications only

Truck/ tractor	Plate number	VIN/chassis number	Make	Model	Year
