

Appendix B: Reference Station Locality Diagram

B-1 Reference Station at Intersections

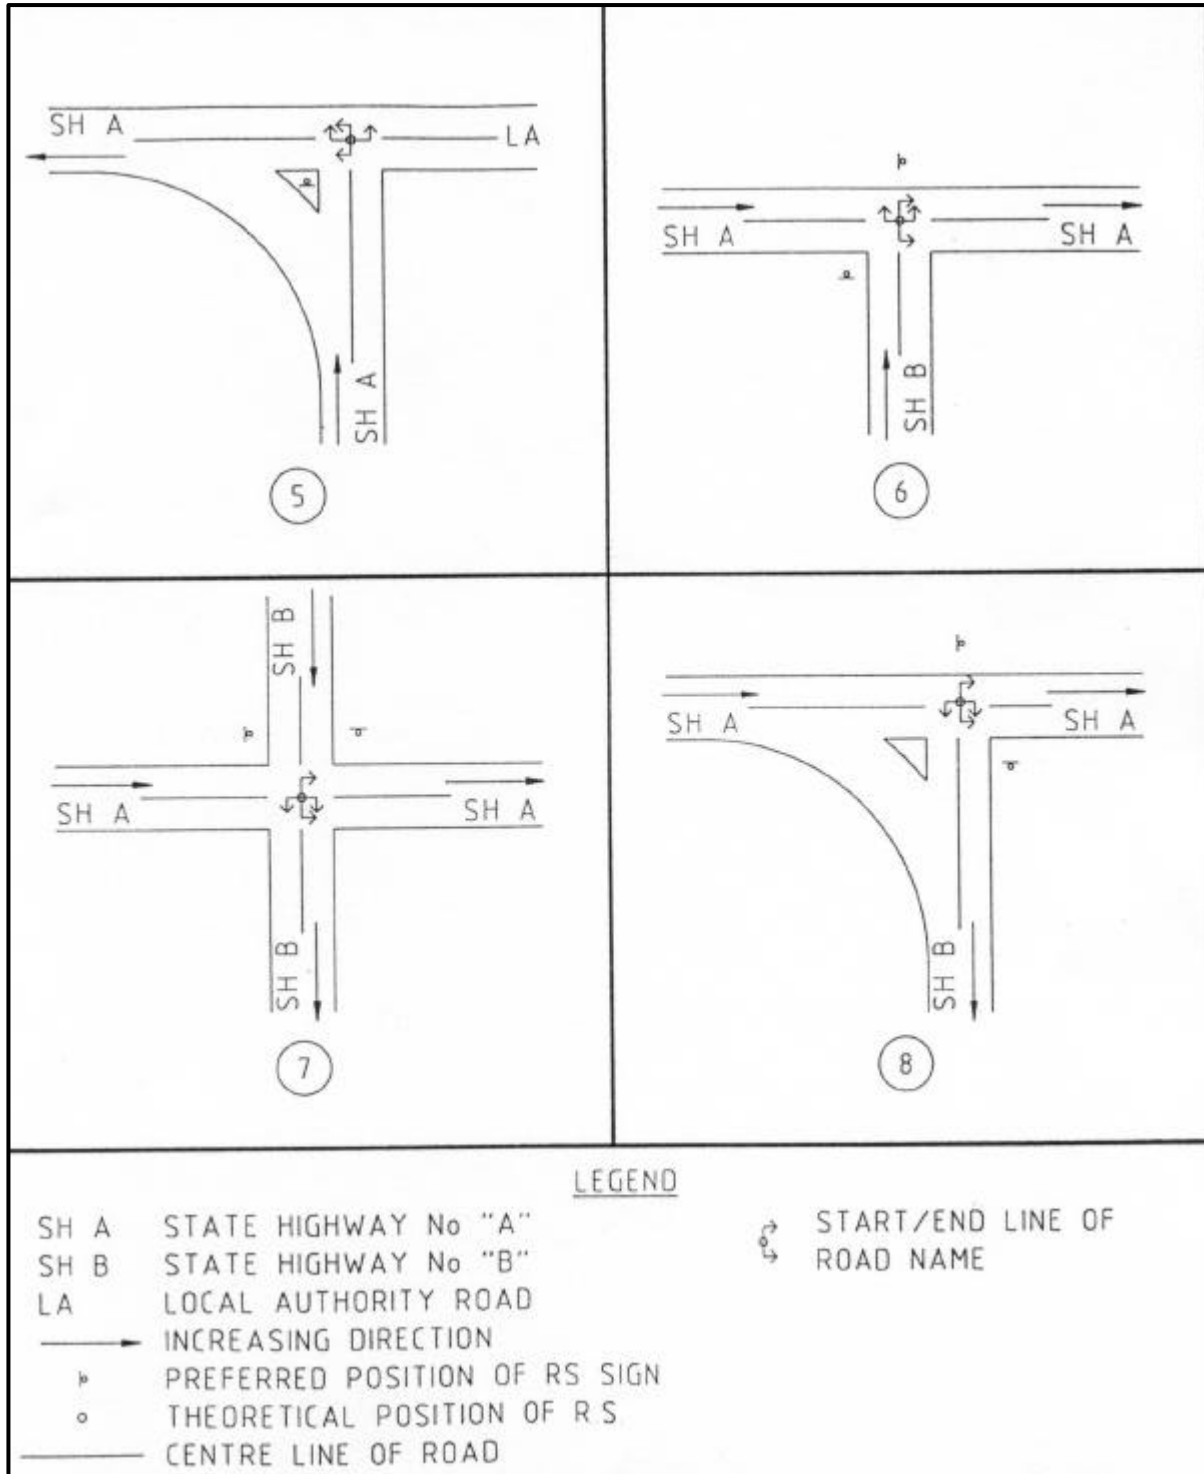

B-2 Reference Station Locality Diagram (blank)

B-3 Reference Station Locality Diagram Examples

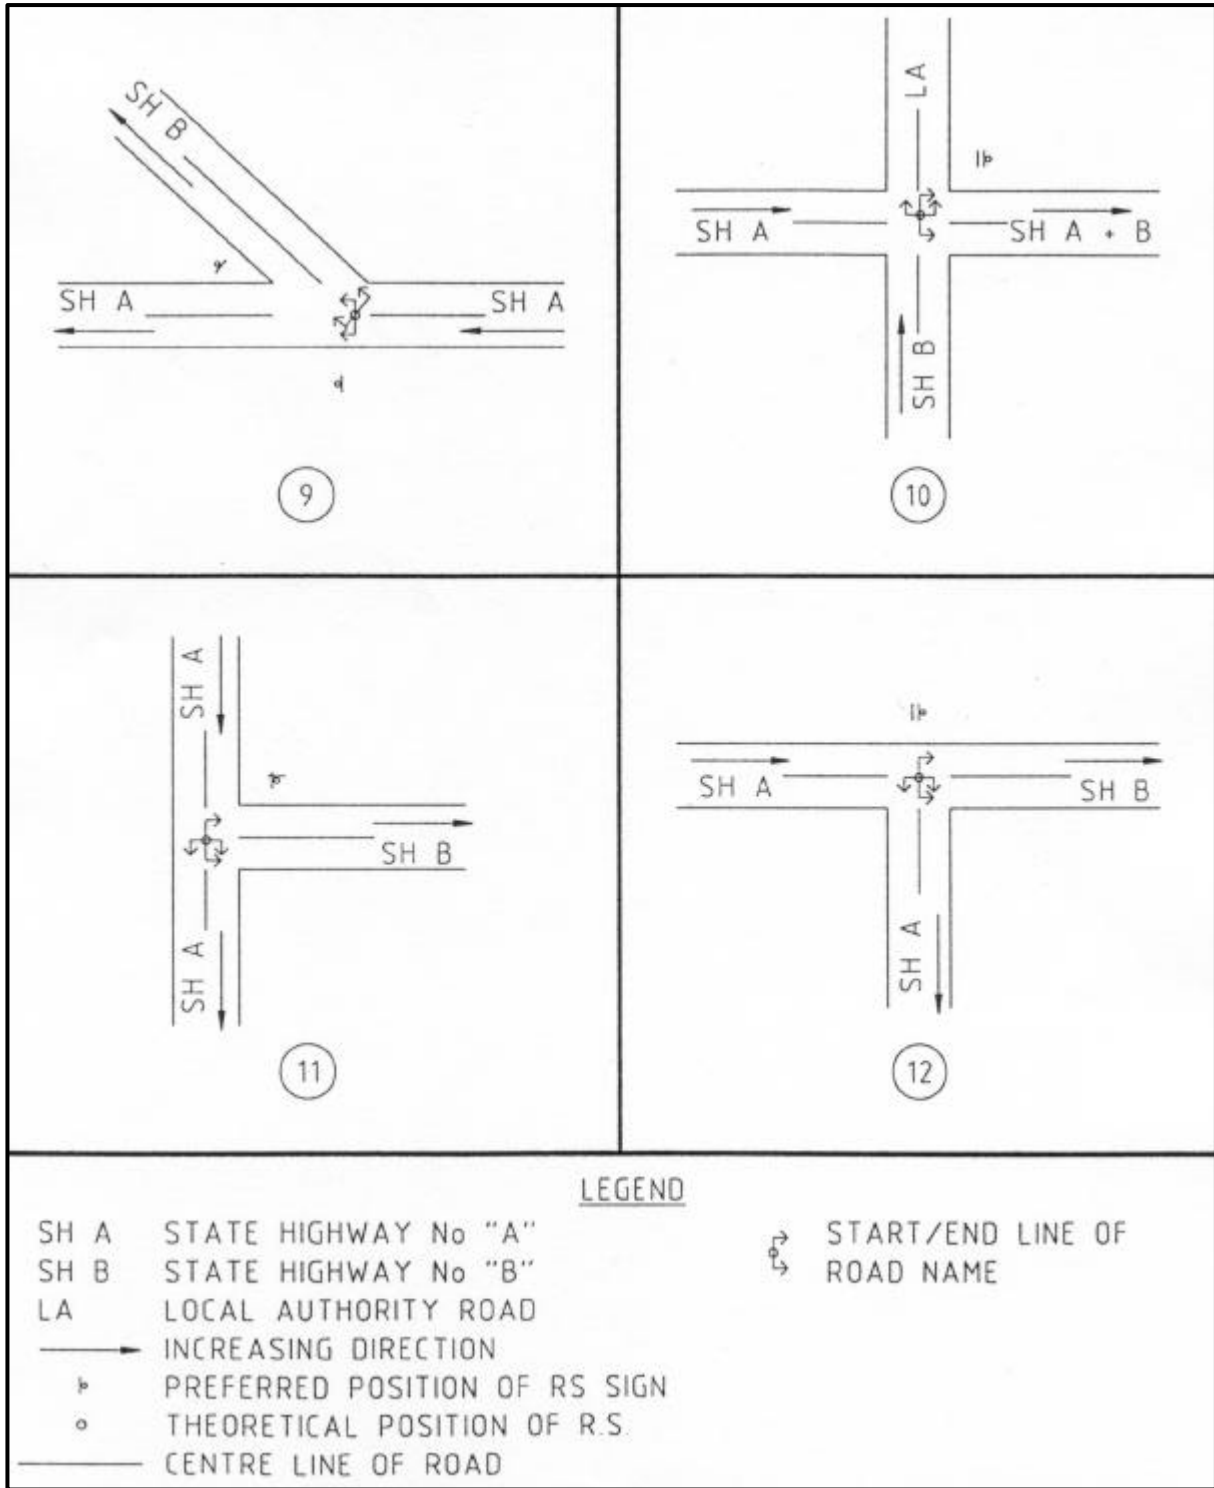

Reference Station at Intersections Examples 1-4

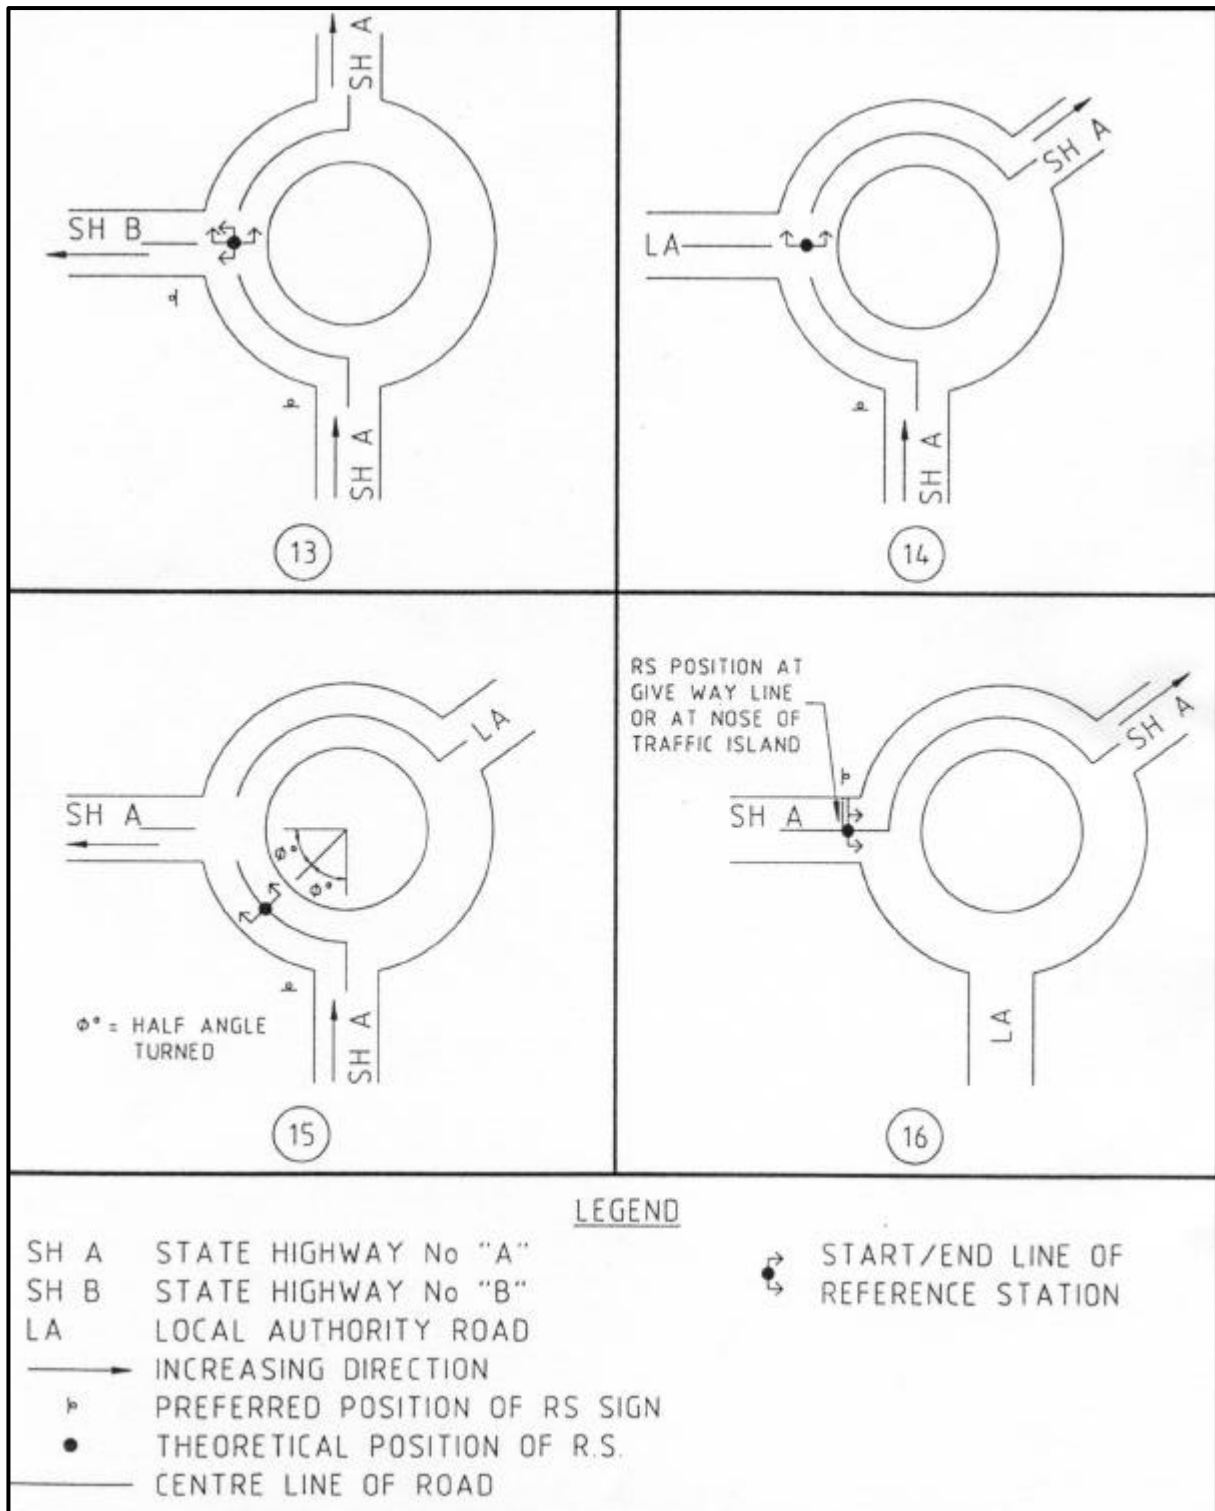

Reference Station at Intersections Examples 5-8

Reference Station at Intersections Examples 9-12

Reference Station at 'Small' Roundabouts Examples 13-16

Reference Station Locality Diagram (Blank)

1. Local Name _____
2. State Highway Name _____
3. Route Distance from Previous Reference Station

State Highway
Reference Station

Previous Reference Station	Route Distance (3 dp)	Date
Route Distance Revision		

4. Is the reference station at:
 - (i) intersection with another State Highway? Y / N
 - (ii) regional boundary? Y / N
 If Yes (i) State Highway No _____ (ii) Regions _____
 Reference Station No _____

5. Locality Diagram
 (Note: The increasing direction of the Highway(s), and the start finish line(s) of the Reference Stations must be clearly shown)

Prepared by _____
 Consultancy _____

NZMG Co-ordinates

E	

Reference Station Locality Diagram Example 1

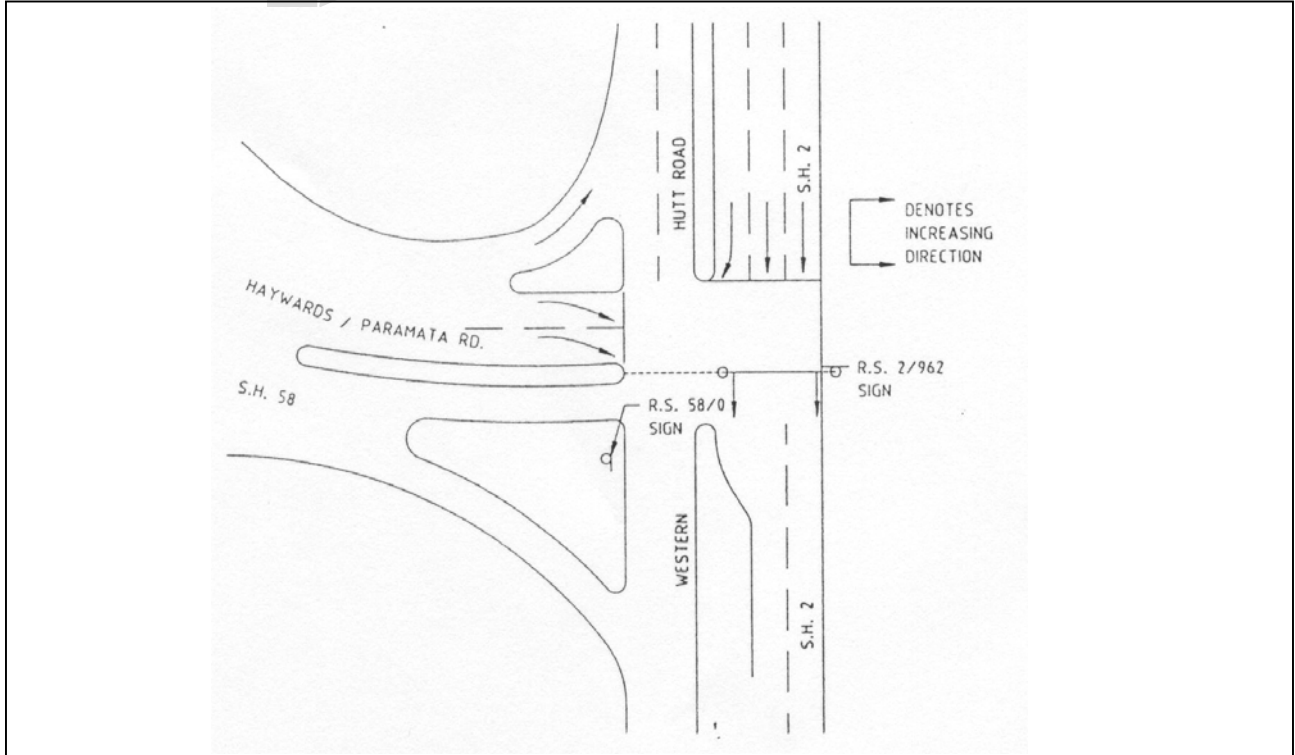

1. Local Name Haywards Junction Intersection
2. State Highway Name Pokeno to Wellington
3. Route Distance from Previous Reference Station

State Highway
002
Reference Station
962

Previous Reference Station	Route Distance (3 dp)	Date
946	17.070	25/12/1993
Route Distance Revision	17.010	07/03/1995

4. Is the reference station at:
 - (i) intersection with another State Highway? Y / N
 - (ii) regional boundary? Y / N
 If Yes (i) State Highway No 58 (ii) Regions N/A
 Reference Station No 0

5. Locality Diagram
 (Note: The increasing direction of the Highway(s), and the start finish line(s) of the Reference Stations must be clearly shown)

Reference Station Locality Diagram Example 2

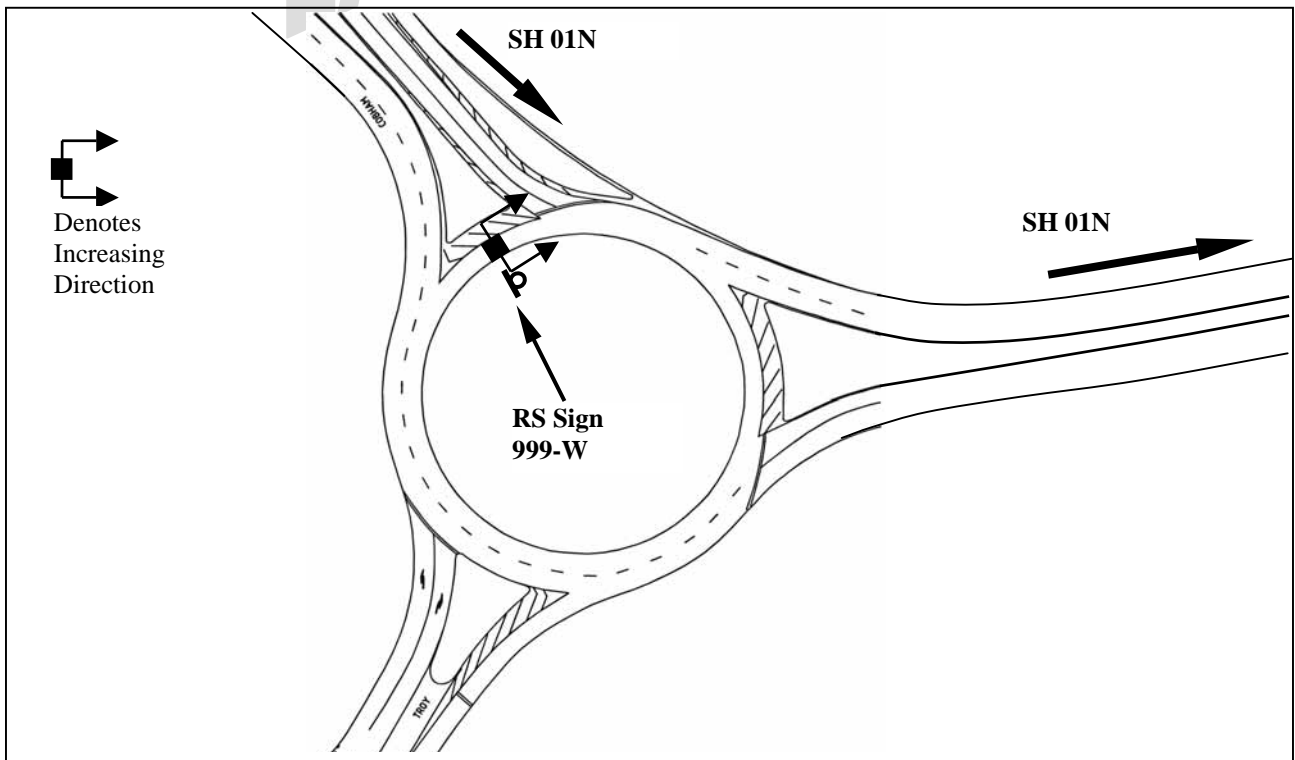

1. Local Name Cobham Drive Roundabout
2. State Highway Name Awanui – Wellington
3. Route Distance from Previous Reference Station

State Highway
01N
Reference Station
999-W

Previous Reference Station	Route Distance (3 dp)	Date
N/A	0.190	01/05/2003
Route Distance Revision		

4. Is the reference station at:
 - (i) intersection with another State Highway? \nexists / N
 - (ii) regional boundary? \nexists / N
 If Yes (i) State Highway No N/A (ii) Regions N/A
 Reference Station No N/A

5. Locality Diagram
 (Note: The increasing direction of the Highway(s), and the start finish line(s) of the Reference Stations must be clearly shown)

Reference Station Locality Diagram Example 3

1. Local Name Johnsonville North ON Ramp
2. State Highway Name Awanui to Wellington
3. Route Distance from Previous Reference Station

State Highway
01N
Reference Station
983-R2

Previous Reference Station	Route Distance (3 dp)	Date
N/A	375	01/05/2003
Route Distance Revision		

4. Is the reference station at:
 - (i) intersection with another State Highway? \forall / N
 - (ii) regional boundary? \forall / N
 If Yes (i) State Highway No N/A (ii) Regions N/A
 Reference Station No N/A

5. Locality Diagram
 (Note: The increasing direction of the Highway(s), and the start finish line(s) of the Reference Stations must be clearly shown)
