

NZTA/NZRF T/8 Changes:2008

**CHANGES TO SPECIFICATION FOR
ROADMARKING APPLICATOR TESTING**

1. General tidy up and streamlining of clauses
2. Removal of duplicated requirements in different sections of the document
3. Provision of an Index
4. Changed TNZ to NZ Transport Agency (NZTA)
5. New clause 5 Process gives an overview of the T/8 Certification process
6. Removed some old requirements and replaced with requirements to comply with relevant legislation (clause 6.4)
7. Tidied and clarified clause 9 Registration and Review of T/8 Certificates
8. Clarified requirements for Type B Applicators e.g. requirement to apply beaded segmented lines (clause 12.3.6)
