This chart shows Polished Stone Values (PSVs) assessed in accordance with TNZ M/6:2004, as at September 2004. This chart is an indication only of the PSV of sealing aggregate available from these sources. This chart is not an exhaustive list of all sealing chip suppliers in New Zealand. Verification of individual products is a contractual matter between purchaser and supplier and should be confirmed by quality assurance. This chart was compiled by the Engineering Policy Section, Transit New Zealand. Please direct questions relating to this chart to: Joanna Towler, Roading Engineer, Transit New Zealand National Office: Telephone 04 496 6630, Facsimile 04 496 6666, E-mail: joanna.towler@transit.govt.nz
