

NOTES TO THE SPECIFICATION FOR TUBULAR STEEL LIGHTING COLUMNS

SP1-0009

Frangible Lighting Poles

TNZ List of Approved Pole Manufacturers and Standards

TNZ Policy

The Specification requirement of TNZ M/19, Section 12.3, is based on the Policy stated in the State Highway Control Manual Chapter 3, Section 5.0, Sub-section 5.0.3. The Policy is that all new lighting poles that are in a vulnerable position, eg not behind kerbs, shall be the frangible type.

Approved List

TNZ has approved the following frangible poles:

- (a) Fibreglass in accordance with TNZ Specification M/18P, Glass Reinforced Plastic Highway lighting columns;
- (b) Oclyte;
- (c) Sectional Steel columns manufactured by Spiral Welded Pipes Ltd.

Note: Previously approvals by NRB were listed in the now superseded *State Highway Policy and Procedure Manual*, clause 4.19.2(2).

Document No	22118
