Hi s 9(2)(a)

I wanted to let you know the current closure of the railway crossing at the southern end of State Highway 1B Telephone Road at the intersection with Holland Road will be extended while the long-term future of this intersection is decided.

Letters are being dropped to residents, key stakeholders and road users notified, and a media release will be issued today.

I have attached the letter going to residents for your information.

If you have any further questions, please get in touch.

Ngā mihi
