Morning s 9(2)(a) here's where the media release is at, would you mind taking a quick look yourself?  
Here's our plan for today:

- few phone calls to key stakeholders (Council etc)
- letter drop - hopefully later today
- media release out - during the letter drop
- social media - tomorrow

Hi Stephanie

Just checking where you are with this. Are you still looking at today, and can you send me the final test beforehand, please?

Cheers s 9(2)(a), sounds like a plan. As I'm about to head off I'll leave that one with Steph to take up.

Thanks for your help.

Adrian

I think it was s 9(2)(a) was talking to. He said he had told her it was third yesterday but had since redone it. Maybe it would be better to leave it where it is and say amongst the most dangerous according to the ALCAM ratings

Thanks s 9(2)(a) it was rechecked yesterday by Cara Lauder, our Waikato Maintenance Manager who is leading discussions and she said 3rd, so it would be good to get that confirmed.

If it is the most at risk level crossing in NZ it may almost be worth throwing that into the first line of the media release, if that's OK with you.
