Kia ora Out of Scope

As the rains have continued here our managers continue to be swamped with work due to the floods. If we can extend our response out a week that would definitely help.

### Update on your application for Streets for People 2021-24 programme

Thank you for your expression of interest in the Streets for People 2021-24 programme.

Our expert advisory group has now assessed all the applications and we're delighted to inform you that your application for the Streets for People 2021-24 programme has been successful.

### What to expect next

You will now be moving into the first funded phase of the programme, Funding the Foundations, alongside our cohort of successful councils. This includes a range of different

size councils from across the country, including some that participated in the Innovating Streets programme in 2020-2021.

## Application for pre-implementation funding

In preparation for the Funding the Foundations phase, please complete and return the [Resource plan for Funding the Foundations form](#) by **5pm Friday 1 April**. This outlines what is involved in the phase and what needs to be costed. This is your application for the pre-implementation funding.

We're available and happy to help if you need our help to complete the form.

Once we have received your completed form, we will contact you to set up the process to access the funding you have requested through the Transport Investment Online (TIO) system.

For more information about what to expect in Funding the Foundations, please visit our website and read our [frequently asked questions](#).

## Thanks again for your Expression of Interest

We appreciate the time you've taken to develop your application and we're excited to be working with you moving forward.

If you've got any questions, please contact [Out of Scope](#) or [Out of Scope](#) from our Streets for People programme team.
