Projects update

Funding the Projects

Projects include a mixture of:

- Walking improvements (town centres, neighbourhoods, links to public transport)

- Cycling improvements

- Safe routes to school

- Speed reduction / safety improvements

Projects update

Funding the Projects

Gisborne	Uawa				
	Grey Street Linear Park				
Out of Scope					

Gisborne

Grey Street Linear Park

- Trial elements to build on strategic plans for a linear park
- Connecting key community facilities within the town centre
- Increase active modes
- 30km zone

Uawa

- Key link for locals in wider cycle way programme
- Access to schools and facilities across SH35
- Need to trial parking options for logging trucks

Total Project Cost: \$695,160
