

MINO-951 Changes to Maungatapere speed limit

19 January 2024

Providing lines on the proposed 50km/h speed limit on State Highway 14 through Maungatapere.

Waka Kotahi NZ Transport Agency's response:

- Maungatapere forms part of the SH14 corridor from Dargaville to Whangārei which has proposed speed limit changes in some areas.
- The Director of Land Transport approved the speed limit changes between Northland and north Auckland on 11 December 2023.
- NZ Transport Agency Waka Kotahi (NZTA) will use a phased approach throughout 2024 to implement speed limit changes on the state highway corridors included in the Northland – north Auckland speed review, including SH14 Dargaville to Whangārei.
- The information about the Director's approval and the implementation plans won't be in the public realm until 20 February 2024 – this is when NZTA will publish the Director's approval, and notify partners and stakeholders of the approved changes and expected implementation timeframes.
