13 June 2024

Provide comment on the Fast Track Consenting proposal for the Ngongotahā Housing Development Project.

NZ Transport Agency Waka Kotahi (NZTA) response:

- In relation to the proposed Ngongotahā Housing Development Project being processed under the COVID-19 Recovery (Fast-track Consenting) Act 2020, the Minister may like to make the following comments:
 - *I do not have any concerns regarding this proposal as:*
 - *The proposal has appropriate connections to provide for transport choices and can be accommodated within the existing road environment.*
 - *NZ Transport Agency Waka Kotahi (NZTA) advises me that there are measures by which effects on the safety and efficiency of the transport network can be addressed through the process.*
 - *The applicant has worked with NZTA to ensure the proposal is designed appropriately to integrate with the wider area.*
 - *NZTA advise me that they have been invited by the Ngongotahā Housing Development Project expert consenting panel to comment on the proposal and will be providing comments in due course. I anticipate the minor matters raised by NZTA can be resolved as part of this process.*
