Hey
Our deadline is today.
Kirsten has said we can have til the end of the week.
What I am trying to say to Robyn and Brett is that there is no real urgency to include it in this Board paper. My thinking is that we can't get Manawatu to a decision point for the board. But I need you to clarify that.

If it is going to stage 1, can we get it to stage 1 by Friday? Or at the very latest 9 June. Can section 9(2)(a) help us get it to a point where it is ready for a decision by then?

If not, then yes we should get a summary of what we have decided in the past and then what will need to happen next for this board paper. And end of day would be amazing. Is it possible?

Ahh ok, I have found some of the files for the assessment previously completed. I can ask section 9(2)(a) to provide a summary for the Board paper.

Is our deadline today?

Hi - just realised section 9(2)(a) might not be back from parental leave formally yet.

Hi section 9(2)(a) and Angela
Robyn has asked me to connect you two up.

section 9(2)(a) (hiya!): Angela is our principal advisor in SD on Tolling.
Angela: section 9(2)(a) is going to help us with understanding what it would take to toll Manawatu Gorge.

I'll leave you to it! Sing out if I can help.
