Yes that would be fine s 9(2)(a)

Can you let me know what is on the agenda so I know who should be there from NZTA?

By then do you think that Council will of made any decisions as to notification of the resource consent application waste management has lodged? And based on the written approval NZTA has now provided for the works within the state highway for the right turn bay, has that altered in any way the resource consent documentation?

Hi s 9(2)(a)

Thanks for your email and sorry for the tardy response.

Can we have a chat on the phone to go over what needs to be discussed so I can arrange for the right people to be at a meeting? I will try you Monday.

Hi Kath

Just following up on my earlier email to request a meeting with NZTA and Waste Management regarding Manor Park. Towards the end of this month would work well for Waste Management.

Thanks and kind regards
