

11 December 2024

Attention: All Waikato State Highway HPMV and Overweight Permit Holders

State Highway 1 – Full Closure between Turangi and Waiouru

Due to the upcoming closure of State Highway (SH) 1 between Turangi and Waiouru, a temporary detour will be established via SH 41, 47, 4, and 49 back to SH1 for all High Productivity Motor Vehicles (HPMV). This detour will be effective from **13 January until 13 March 2025**. The specified detour is part of the Full HPMV AWF network.

Overweight vehicle travel on the detour route requires a current Overweight permit for the SH 41, 47, 4, and 49 sections. Permit holders shall use an alternative route for which they hold an Overweight permit or apply for a new permit if required through NZTA.

Thank you for your co-operation.
