Hi Dave,

Please find the information regarding the Ferry Crossing proposal:

*Waka Kotahi NZ Transport Agency requires 6 months to investigate walking and cycling options across the Waitemata Harbour, if Waka Kotahi complete the work faster than expected it will advise the Ministers Office.*

*The shortest timeframe for starting a ferry services is 1-2 years depending on the outcome of the investigation.*

Please let me know if you need any further information.

Kind regards,

**Kendra Mackie**
