Dear Tina

Variation to Interim Speed Management Plan

Thank you for submitting a Variation to Gisborne District Council's Interim Speed Management Plan (the Plan) for certification under the Land Transport Rule: Setting of Speed Limits 2022 (the Rule).

As Director of Land Transport, I certify the Variation and issue the enclosed Certificate. The Variation will be published alongside the Plan already certified on NZTA Waka Kotahi's Speed Limit Approvals website: www.nzta.govt.nz/safety/partners/speed-and-infrastructure/safe-and-appropriate-speed-limits/speed-limit-approvals/

As you are aware the Minister of Transport has announced that a new Speed Rule will be introduced by the end of this year, and the draft Rule has been consulted on. I note that our staff have checked your intention to proceed with the Variation under the current Rule and you have confirmed you wish to proceed.

If you have any questions, please do not hesitate to get in contact with Karina Morrow (Manager Regulatory Technical, Te Rōpū Waeture - Regulatory Services) (karina.morrow@nzta.govt.nz).

Yours sincerely

Brent Alderton
Director of Land Transport
