'Bus Stop' text road marking (M3-2 or M3-2A) †	Essential	Essential	Recommended	Recommended	Optional
'No Stopping' road marking	Essential	Essential	Recommended	Recommended	Optional
Coloured surface treatment	Optional	Optional	Optional	Optional	Optional

Notes:

† Where a bus stop is formally established at least one bus stop sign must be provided and that sign must conform to the sign type in Schedule 1 of the Land Transport Rule: Traffic Control Devices 2004. When the bus stop area is less than 12m (for smaller buses), then a bus box is not legislatively required but best practice is that it is essential for intermediate and standard bus stops and recommended for intermediate and standard.
