

State Highway 2 (SH2) closure for Bay Link bridge construction

SH2 between Bayfair roundabout and Te Maunga intersection is scheduled to close from:

**10pm Friday 2 July until
5am Monday 5 July 2021.**

This is to enable bridge construction on the Bay Link project.

Significant delays are anticipated. Please plan your travel outside this closure or allow extra time for travel.

A signposted detour applies via Girven Road, Maranui Street, Sandhurst Drive and the Sandhurst Drive/Mangatawa Interchange.

Visit nzta.govt.nz/temaunga for full detour information.

This closure is required to place 10 reinforced concrete beams (26m long and weighing 47T) across SH2 near Te Maunga intersection by a crane positioned in the middle of the state highway.

In the event of bad weather or unforeseen circumstances, this closure may be moved to the next suitable weekend.

Waka Kotahi thanks road users, residents and businesses for their patience.

This map provides an indication of the detour routes in place.
