

# Christchurch Northern Corridor

6 June 2018

## PLACING BEAMS - MAIN NORTH ROAD CLOSED

From **8pm on Saturday 9 June till 6am Monday 11 June** Main North Road between Marshland Road and Chaney's on-ramp will be closed.

We are placing the beams for the Main North Road Bridge that takes the new motorway over Main North Road. In total we will place 22 beams over the weekend.

## Traffic Impact

For the safety of the crew placing the beams and the traffic on the local road underneath we have to **close Main North Road**, between Marshland Road and Chaney's on-ramp, see red line on map overleaf.

From Saturday evening 9 June till Monday morning 11 June you will not be able to access the northern motorway (SH1) via Marshland Road.

Please use QEII Drive and Main North Road to enter SH1.
