

# Christchurch Northern Corridor Cranford Street

PROJECT UPDATE

11 SEPTEMBER 2019

## KERB AND CHANNEL WORK - NO ENTRY WESTON ROAD EASTBOUND

The Christchurch Northern Corridor (CNC) Alliance team is continuing with the kerb and channel work and widening of the road shoulder on Cranford Street.

From **this Thursday 12 September** we will be installing the new kerbs, a new footpath and widening the road shoulder on Cranford Street, between Weston Road and McFaddens Road.

### TRAFFIC IMPACTS

There will be no entry heading east from Weston Road onto Cranford Street. See map overleaf. Access onto Weston Road from Cranford Street will still be possible.

During this work there will be a footpath diversion in place and there will be no on-street parking available near the work sites.

Vehicle access to the businesses and residential properties will be maintained.

To ensure the kerb pour can continue as planned, please don't park in the no-parking area.

### WHAT'S NEXT?

From **Monday 23 September** there will be a no-entry on Knowles Street to accommodate the kerb construction. Similar to the no-entry on Weston Road, you cannot enter Cranford Street from Knowles Street.

Following the kerb work, the relocation of power cables and storm water work, we will construct the footpath and widen the road shoulder. Once work is complete we will remove the no-entry at Weston Road and Knowles Street.

Early October we will remove the closures at Weston Road and Knowles Street and there will be a no-entry from McFaddens Road to Cranford Street to accommodate the kerb work here.

Mid-October we start work on the actual road surface. This means new asphalt and installing the planted central median that will make McFaddens Road, Weston Road and Knowles Streets left in and out only. More on this in our next update.

REDUCED  
COMMUTER  
TRAVEL TIME

REDUCED  
CONGESTION

IMPROVE  
SAFETY

IMPROVE  
WALKING  
AND CYCLING

SUPPORT  
ECONOMIC  
GROWTH

No entry to Cranford Street from Weston Road. Drive from Cranford Street into Weston Road is still possible.

During the work there is no on-street parking available near the work site locations.

Thank you for your patience and cooperation so far, we know it isn't easy having road work in your street for a long period.

## WHAT YOU NEED TO KNOW

- › Our regular working hours are Monday to Saturday between 7am and 7pm.
- › There will be noise and vibrations associated with the work we have to do. We will do what we can to lessen this.
- › Keep yourself, your children and pets at a safe distance from the work site. Please stay behind the construction fences at all times.
- › All work sites are subject to weather and other unforeseen conditions.

You can call us on 0800 262 200, email at [info@cncalliance.co.nz](mailto:info@cncalliance.co.nz) or visit our project office at 145 Winters Road, accessed from QEII Drive left in and out only or walk/cycle using Winters Road subway.
