

# Christchurch Northern Corridor Philpotts Road

PROJECT UPDATE

2 MARCH 2020

## ROAD CLOSURE PHILPOTTS ROAD QEII DRIVE INTERSECTION

The left out lane from Philpotts Road onto QEII Drive will be closed to all traffic from **Sunday night 15 March till Wednesday 25 March**. The Philpotts Road closure is to allow the Christchurch Northern Corridor (CNC) Alliance team to construct the new intersection (left in and out only) that ties in with the new lanes on QEII Drive.

### Traffic Impact

When the Philpotts Road intersection is closed, you can either use Innes Road or Main North Road to access QEII Drive.

Cyclists will be able to continue on the QEII Drive shared use path as normal by following a temporary road crossing on Philpotts Road. The intersection will be open again on Thursday morning 26 March, left out only onto QEII Drive.

### Construction Impact

We are preparing the road at the intersection for foam bitumen stabilisation, which involves large trucks and heavy machinery. We will also apply chip seal, which will be covered in asphalt after a year of use. In between the foaming and chip sealing the cement needs to harden for one or two days. No work will be happening during the curing.

At the end of this work we will be painting the lines and installing new give-way signage.

We want to thank you again for your patience and cooperation while we complete the QEII Drive upgrade.

From early May, the new permanent lay out (left in and out only) at the Philpotts Road and QEII Drive intersection will be in place.

To enter the garden centre at 116 Philpotts Road, take Innes Road to turn onto Philpotts Road.

QEII Drive with the motorway overbridge and 50% completed roundabouts. When the roundabouts are complete travellers turning left out of Philpotts Road can do a U-turn by turning right at the first roundabout.

## ACCESS TO QEII DRIVE

Between 15 and 26 March you will need to take either Innes Road or Cranford Street and Main North Road to access QEII Drive.

## WHAT YOU NEED TO KNOW

- Our standard construction work hours are Monday to Saturday between 7am and 7pm. Night work starts after 7pm and stops before 6am.
- There will be increased noise and vibrations associated with most of the construction work. We will do what we can to minimise this.
- Keep yourself and your children, as well as pets, at a safe distance from the work site. Please stay behind the construction fences at all times.
- All work sites are subject to weather and other unforeseen conditions. Some jobs will finish early while others may be delayed or rescheduled.

You can call us on **0800 262 200** or email us at [info@cncalliance.co.nz](mailto:info@cncalliance.co.nz) or visit our office at 145 Winters Road in Mairehau, access from QEII Drive (left in and out only). Sign up for email updates online at [www.nzta.govt.nz/cnc](http://www.nzta.govt.nz/cnc)
