

# Christchurch Northern Corridor Prestons Road

PROJECT UPDATE

5 JUNE 2020

## LANE CLOSURE TO CONNECT THE ROAD WITH THE BRIDGE

Prestons Road, between Grimseys Road and 171 Prestons Road, will be closed to westbound traffic from **Wednesday 17 June till Wednesday 15 July**. This is to allow the Christchurch Northern Corridor (CNC) Alliance team to tie in the existing road with the new bridge.

### Traffic Impact

While the westbound lane on Prestons Road is closed, a diversion for westbound traffic will be in place via Hawkins Road, Radcliffe Road and Main North Road. Please expect up to a five minutes delay.

Cyclists can either take the diversion or dismount and walk on the footpath passed the lane closure on Prestons Road.

Eastbound traffic will be switched over onto the new bridge on Wednesday 1 July.

From Wednesday 15 July the bridge will be open to two way traffic.

### Residents' Access

Prestons Road residents, between Grimseys Road and 171 Prestons Road (including Burlington Village), will have pedestrian and vehicle access to their homes at all times. Vehicle access to homes will be eastbound only (left-in left-out).

There will be no on-street parking on this section. Please use the Hawkins Road diversion if you wish to travel west.

**When traffic is moved onto the bridge, from Wednesday 1 July**, residents east and west of the motorway alignment will have either an extended driveway or a new shared access way onto Prestons Road. Please continue to turn left-in and left-out onto Prestons Road until the lane closure has been removed.

During the work, residents on Prestons Road within the lane closure will need to access their driveways from within the one way traffic set up, in the eastbound lane, left in and out only. As soon as traffic is on the bridge residents will use their shared access way.

## DIVERSION WESTBOUND CLOSURE

From Wednesday 17 June till Wednesday 15 July the westbound lane on Prestons Road, between Grimseys Road and 171 Prestons Road, will be closed to all traffic.

A diversion will be in place via Hawkins Road, Radcliffe Road and Main North Road.

Traffic on Grimseys Road and on Prestons Road, between Grimseys Road and Main North Road, is not affected (two way traffic as normal).

## WHAT YOU NEED TO KNOW

- Our standard construction work hours are Monday to Saturday between 7am and 7pm. Night work starts after 7pm and stops before 6am.
- There will be increased noise and vibrations associated with most of the construction work. We will do what we can to minimise this.
- Keep yourself and your children, as well as pets, at a safe distance from the work site. Please stay behind the construction fences at all times.
- All work sites are subject to weather and other unforeseen conditions. Some jobs will finish early while others may be delayed or rescheduled.
