

# Christchurch Northern Corridor QEII Drive east

PROJECT UPDATE

7 JANUARY 2020

## NIGHT WORK AT THE QEII DRIVE/INNES ROAD ROUNDABOUT

The Christchurch Northern Corridor (CNC) Alliance team is continuing the work at the Innes Road roundabout on QEII Drive. From **Sunday night 12 January**, we will be installing drainage pipes. We will also be working on the traffic islands to landscape these areas.

**Night work is planned for each night from Sunday to Thursday for about a month.** Work is happening intermittently. Nearby residents will hear the noise from the machinery and the crew working at night.

We started this work in November last year but were not able to complete this due to broken foam bitumen stabilisation machinery that meant we had to reprogramme certain jobs.

In February we will also have to stop traffic for short times near the new QEII Drive overbridge to pour concrete on the bridge deck at this location, when this happens for one night we will not be working at night at the Innes Road roundabout.

### TRAFFIC IMPACT

During the night work the eastbound roundabout lane will be closed at times. QEII Drive eastbound traffic can drive straight through on the slip lane but cannot turn right at the roundabout to go to Innes Road.

A diversion for Innes Road will be in place via Marshland Road, Briggs Road and Hills Road. See map overleaf.

QEII Drive westbound traffic can turn left into Innes Road as normal.

REDUCED  
COMMUTER  
TRAVEL TIME

REDUCED  
CONGESTION

IMPROVE  
SAFETY

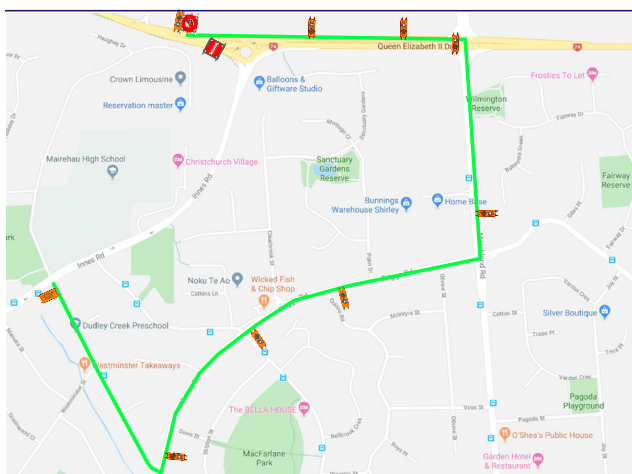

IMPROVE  
WALKING  
AND CYCLING

SUPPORT  
ECONOMIC  
GROWTH

TWO WAY TRAFFIC ON QEII DRIVE NEAR THE INNES ROAD ROUNDABOUT HAS BEEN MOVED ONTO THE NEW EASTBOUND LANES SO WE CAN WORK ON THE REMAINING WESTBOUND LANES TO UPGRADE.

## DIVERSION RIGHT TURN INNES

During the night works QEII Drive eastbound traffic cannot turn right at the roundabout to go to Innes Road. A diversion will be in place via Marshland Road, Briggs Road and Hills Road.

## WHAT YOU NEED TO KNOW

- › Our standard construction work hours are Monday to Saturday between 7am and 7pm. Night work starts after 7pm and stops before 6am.
- › There will be increased noise and vibrations associated with most of the construction work. We will do what we can to minimise this.
- › Keep yourself and your children, as well as pets, at a safe distance from the work site. Please stay behind the construction fences at all times.
- › All work sites are subject to weather and other unforeseen conditions. Some jobs will finish early while others may be delayed or rescheduled.

You can call us on 0800 262 200 or email us at [info@cncalliance.co.nz](mailto:info@cncalliance.co.nz) or visit our website at [www.nzta.govt.nz/cnc](http://www.nzta.govt.nz/cnc) or our office at 145 Winters Road (left in and out only from QEII Drive).
