

# Christchurch Northern Corridor QEII Drive

PROJECT UPDATE

19 MARCH 2020

## ROAD CLOSURE AT NIGHT ON QEII DRIVE

The Christchurch Northern Corridor (CNC) Alliance team will be removing the scaffolding surrounding the new QEII Drive Overbridge. For this QEII Drive will be closed between Main North Road and Hills Road/Innes Road roundabout on the night of **Sunday 22 March**.

We have completed the concrete and construction work on the structure of the bridge. Work on the bridge and the QEII Drive interchange will continue.

### Traffic Impact

Due to the high traffic volumes on QEII Drive during the day we will have to do this work at night. On Sunday 22 March, QEII Drive will be closed in both directions, between Main North Road and Innes Road. There is no access to and from QEII Drive at Winters Road, Grimseys Road and Philpotts Road. The night work starts at 9pm till 6am the next morning.

Traffic (excluding cyclists) on QEII Drive will be diverted at Main North Road and Innes Road roundabout.

**Cyclists** on the QEII Drive path are not affected by the road closure; the Winters Road and Grimseys Road subways are open as normal. People on Hills Road will still be able to turn left out of Hills Road heading east on QEII Drive.

**Residents only**, on QEII Drive and Winters Road-east, will still be able to access their homes via the entry gates at Philpotts Road. Although Philpotts Road is closed at the intersection with QEII Drive, there will be a traffic controller on site to escort you.

There will be other work happening at night on QEII Drive as well so nearby residents will hear the noise from the machinery, a sweeper truck and the crew working at night.

**REDUCED**  
COMMUTER  
TRAVEL TIME

**REDUCED**  
CONGESTION

**IMPROVE**  
SAFETY

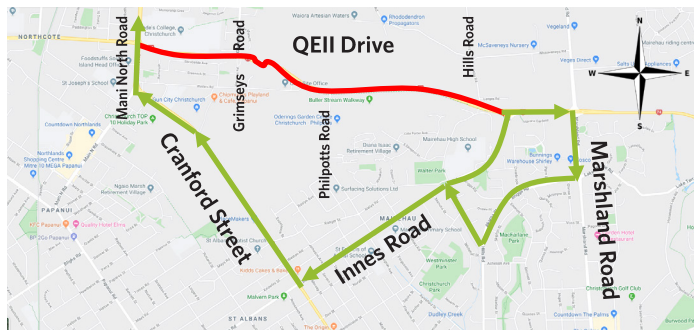

**IMPROVE**  
WALKING  
AND CYCLING

**SUPPORT**  
ECONOMIC  
GROWTH

Work is in full swing upgrading the existing westbound lanes on QEII Drive.

## DIVERSIONS IN PLACE

During the evening/night of 22 March QEII Drive will be closed in both directions between Main North Road and Innes Road roundabout, see red line on the map. Diversions (green lines) will be in place via Marshland Road, Briggs Road, Hills Road and Innes Road or Cranford Street and Main North Road.

## WHAT YOU NEED TO KNOW

- › Our standard construction work hours are Monday to Saturday between 7am and 7pm. Night work starts after 7pm and stops before 6am.
- › There will be increased noise and vibrations associated with most of the construction work. We will do what we can to minimise this.
- › Keep yourself and your children, as well as pets, at a safe distance from the work site. Please stay behind the construction fences at all times.
- › All work sites are subject to weather and other unforeseen conditions. Some jobs will finish early while others may be delayed or rescheduled.

You can call us on 0800 262 200 or email us at [info@cncalliance.co.nz](mailto:info@cncalliance.co.nz) or visit our website at [www.nzta.govt.nz/cnc](http://www.nzta.govt.nz/cnc) or our office at 145 Winters Road (left in and out only from QEII Drive).
