

# Resource Consent Application Form

## East West Link Project

<p>For office use only: Private Bag 63002 Waterloo Quay Wellington 6140</p>	<p>Application number: .....</p> <p>Date received: .....</p>
---	--

This form must be accompanied by a completed Nationally Significant Proposals Application Form.

All legislative references relate to the Resource Management Act 1991 (RMA) unless stated otherwise.

In accordance with Schedule 4 of the RMA, all information provided in this application must be specified in sufficient detail to satisfy the purpose for which it is required.

You must serve the relevant local authority with notice of this matter together with notice of its lodgement with the EPA.

## Part I: Application for Resource Consent

### Sections 145 (1) (a) and (5), Section 88 and Schedule 4, RMA.

### This part of the form reflects the information requirements of Form 9 of the Resource Management (Forms, Fees, and Procedure) Regulations 2003.

This application is for the following type(s) of resource consent (section 87) (please tick all that apply):

- land-use consent
- subdivision consent
- water permit
- discharge permit
- coastal permit.

Have you completed and attached all relevant council application forms?

- Yes.
- No.

Provide a description of the activity to which the application relates.

## ENVIRONMENTAL PROTECTION AUTHORITY

The construction, operation and maintenance of the East West Link between State Highway 20, Onehunga and State Highway 1, Ōtāhuhu.

In summary, the proposed works include:

- A new four lane arterial road between the existing State Highway 20 (SH20) Neilson Street Interchange in Onehunga and State Highway 1 (SH1) at Mt Wellington;
- Reconfiguration of Neilson Street Interchange and surrounding roads including a trench on the southern side with a land level bridge connecting Onehunga Harbour Road to Onehunga Wharf;
- Local road connections to and from the East West Link;
- Local road improvements including extensions to Galway Street, Captain Springs Road and Hugo Johnston Drive;
- A new grade separated intersection at Great South Road/Sylvia Park Road;
- New commuter and recreational cycle paths along East West Link and connecting into the local communities; and
- Connection to SH1 via two new ramps south of Mt Wellington Interchange.
- Widening State Highway 1 (SH1) to accommodate an additional lane in each direction from Mt Wellington to Princes Street Interchange;
- A new bridge at Panama Road to accommodate the SH1 widening;
- Removal of the culverts over Ōtāhuhu Creek and replacement with a bridge;
- Upgrade of the Princes Street Interchange; and
- Reclamation adjacent to the northern foreshore of Māngere Inlet to provide for stormwater treatment, creating a naturalised coastal edge and recreational space;

The proposed work is described in full in *Part C: Description of the Project* (Volume 1, Assessment of Effects on the Environment).

Attach, in accordance with the Fourth Schedule of the RMA, an assessment of environmental effects in such detail as corresponds to the scale and significance of the effects that the activity may have on the environment.

An Assessment of Effects on the Environment is included in Volumes 1, 2, 3 and 4.

Attach any information required to be included in this application by the district plan, the regional plan, the RMA or any regulations made under the Act.

Information required under the Auckland Unitary Plan: Operative in Part and the Operative Auckland Council Regional Plan: Coastal is included in:

- Volume 1: Assessment of Effects on the Environment
- Volume 2: Drawings
- Volume 3: Technical Reports
- Volume 4: Urban and Landscape Design Framework

If relevant, attach any additional information required for resource consent for a subdivision (Schedule 4 (4)).

N/A

If relevant, attach any additional information required for resource consent for reclamation (Schedule 4 (5)).

Information relating to the proposed area of reclamation is included in *Plan Set 5: Coastal Occupation* contained in Volume 2: Drawings.

## Part II: Signature

I hereby certify that, to the best of my knowledge and belief, the information given in this application is true and correct.

I acknowledge that I have read and understood any requirements detailed on the Nationally Significant Proposals Application Form. I understand that the EPA can recover any actual and reasonable costs associated with processing this application.

If the EPA determines that any application for a resource consent or an application for a change to or cancellation of the conditions of a resource consent is incomplete, it may return the application.

I understand that I must serve the relevant local authority with notice of this matter together with notice of its lodgement with the EPA.

16 December 2016

---

Signature of applicant (or person authorised to sign on behalf of application)      Date

Note: Please complete the checklist on the following page prior to lodging this application. The checklist is designed to assist you in providing all relevant information and is not intended to be an exhaustive list of requirements.

## Resource Consent Application Checklist

In accordance with the standard Form 9 of Form 9 of the Resource Management (Forms, Fees, and Procedure) Regulations 2003 requirements, the following should be provided:	✓	
A discussion of the actual and potential effects of the matter on the environment in sufficient detail to satisfy the purpose for which it is required.	✓	
A discussion regarding how actual or potential effects of the proposal will be avoided, remedied, or mitigated.	✓	
The full name and address of each owner or occupier of the site(s).		
Evidence that all relevant resource consents required for the matter have been applied for.	✓	
An assessment of the proposed activity against the matters set out in Part 2 of the RMA 1991.	✓	
An assessment of the proposed activity against any relevant provisions of a document referred to in s 104(1)(b).	✓	
*Plans and elevations relevant to the proposal.	✓	
*A list of persons who are potentially adversely affected by the proposal.		
If the application is for a <b>subdivision consent</b> , the following has been included:	N/A	
	• the position of all new boundaries	N/A
	• the areas of all new allotments	N/A
	• the locations and areas of new reserves (including esplanade reserves or esplanade strips)	N/A
	• the locations of any existing esplanade reserves, esplanade strips, and access strips	N/A
	• locations of any parts of the bed of a river or lake to be vested in the territorial authority	N/A
	• locations and areas of any land within the coastal marine area; and	N/A
	• the locations and areas of land to be set aside as new roads.	N/A
If the application is for <b>reclamation</b> , the following has been included:	✓	
	• the location of the proposed reclamation	✓
	• the positions of all new boundaries, and	✓
	• the portion of the area (if any) to be set aside as an esplanade reserve or esplanade strip.	✓

\*These points are recommended to help with the processing of your application but are not required.

# Application for resource consent

## Resource Consents Department Under Section 88 of the Resource Management Act 1991

To: Auckland Council  
Private Bag 92300  
Auckland 1142

You may post or deliver your application to your nearest Auckland Council service centre.

This form provides the council with your contact information and details about your proposal. If you need help completing this form or you are unsure about which form to use, visit [aucklandcouncil.govt.nz/resourceconsents](http://aucklandcouncil.govt.nz/resourceconsents) where you will find helpful guidance notes, or contact the council on 09 301 0101.

If you fail to complete this form and provide the necessary information, including the deposit fee, your application may not be accepted for processing. See [Guidance Note 3](#).

### 1. Site location details:

Site(s) to which this application relates is described as:

No: \_\_\_\_\_ Street: \_\_\_\_\_

Suburb: Onehunga, Penrose, Mt Wellington, Otahuhu

Legal description(s) Refer to legal descriptions schedules attached to Notice of Requirement 1, Notice of Requirement 2 and this application form

### 2. General application details:

This application is for (tick all the boxes necessary to cover the proposal):

#### District consent

Land use consent (District/City)  Subdivision consent

#### Relevant district plan section

Auckland Central Area  Hauraki Gulf Islands  Auckland Isthmus  Proposed Auckland Unitary Plan Decisions Version  
 Franklin  Manukau  North Shore  
 Papakura  Rodney  Waitākere

#### Regional consent

Discharge permit  Coastal permit  Water permit  
 Land use consent (Regional)  Other (give details)

Office use only

Application no(s): \_\_\_\_\_

Receipt date: \_\_\_\_\_

Deposit paid: \_\_\_\_\_

Consent:

- District  
 Regional  
 Integrated  
 Proposed Auckland Unitary Plan Decisions Version

Stream number: \_\_\_\_\_

The consents sought are outlined in *Section 5.2: Applications for Resource Consent (Assessment of Effects on the Environment, Volume 1)*. The rules infringed and list of permitted activities are identified in *Report 2: Statutory Context (Volume 3)*.

#### Relevant regional plan

Coastal  Sediment control  Air, Land, Water  
 Farm dairy discharges  Proposed Auckland Unitary Plan Decisions Version

Is consent required under a National Environmental Standard (NES)?

No  Yes (give details)

National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health

### 3. Additional resource consents required:

3.1 Are any additional resource consent(s) required for this proposal but not being applied for under this application?

No  Yes (give details)

The proposal may generate the need to vary conditions of some existing consents. These are consequential variations that can be dealt with as a separate process once consents are granted for the East West Link Project.

3.2 Advise of any existing consents and the date at which they expire. (Provide consent numbers and an assessment of the value of the investment of the existing consent holder (for the purposes of section 104(2A)).

There are no existing consents for the East West Link Project.

### 4. Applicant's details (All invoices will be made out to and sent to the applicant unless otherwise stated in Section 6.):

Applicant's full name

(The name of the consent holder who will be responsible for the consent and any associated costs unless otherwise stated in Section 6)

Last Name: \_\_\_\_\_ First name(s): \_\_\_\_\_

Last Name: \_\_\_\_\_ First name(s): \_\_\_\_\_

## 7. Description of proposed activity (If insufficient space, please provide on additional pages.):

Construction, operation and maintenance of the East West Link arterial road between SH20, Onehunga and SH1, Otahuhu and associated activities.

For a full description of the Project refer to *Section 6: Description of the Project* (Assessment of Effects on the Environment, Volume 1).

## 8. Other activities

Choose either:

- There are no other activities that are part of the proposal to which this application relates.
- The other activities that are part of the proposal to which the application relates are as follows:  
(Describe the other activities. For any activities that are permitted activities, explain how the activity complies with the requirements, conditions, and permissions of any Plan or regulation so that a resource consent is not required for that activity under section 87A(1) of the RMA.)

Permitted activities associated with the works are detailed in *Report 2: Statutory Context* in Volume 3.

## 9. Pre-application information

Have you had a pre-application meeting with the council regarding this proposal?

- Yes  No  Copy of minutes attached

Date of meeting: **On-going liaison over 6 months**

If 'yes', provide the reference number and/or name of staff member: **Andrew Gysberts, Tim Hegarty & Rebecca Greaves**

## 10. Site visit requirements

10.1 Is there a locked gate or security system restricting access by council staff?

- Yes  No

10.2 Is there a dog on the property?

- Yes  No

10.3 Provide details of any entry restrictions or hazards that council staff should be aware of, e.g. health and safety, organic farm, measures to inhibit the transfer of Psa-V etc.

Whilst some of the Project is accessible as public road, there are a large number of private properties which are not owned by NZ Transport Agency and which the Transport Agency cannot provide approval for access.

## 11. Notification of your application

Are you requesting that the application be publicly notified?

- Yes  No

If 'yes', please provide an executive summary below and an electronic version of your application for notification purposes.

Please refer to the Standards for submitting documents electronically found at the council's website [aucklandcouncil.govt.nz/resourceconsents](http://aucklandcouncil.govt.nz/resourceconsents)

## 12. Mana Whenua cultural values assessment and the Proposed Auckland Unitary Plan Decisions Version (PAUP DV)

12.1 Is your proposal located within a "Site or Place of Significance to Mana Whenua" as identified in the PAUP Decisions Version?

- Yes  No

12.2 Is your proposal one of those types of activities where effects on Mana Whenua cultural values are required to be considered?

- Yes  No

12.3 If 'yes' to 12.1 or 12.2, have you contacted all the relevant Mana Whenua groups to establish whether their values are affected by your proposal?

- Yes  No

12.4 If 'yes', please provide details with your application of all Mana Whenua groups contacted and their responses.

Please note that providing this information with the lodgement of your application will assist in processing your application in a timely manner. If you have not provided the relevant information your application may need to be placed on hold while this information is obtained.

In any case, please note that the council can assist you in determining whether the PAUP DV provisions referred to above apply and, if so, which Mana Whenua groups need to be approached. For more information refer to the "Engaging with Mana Whenua" page at [aucklandcouncil.govt.nz](http://aucklandcouncil.govt.nz)

## 13. Information to be submitted with your application

To satisfy the requirements of Section 88(2) and Schedule 4 of the Resource Management Act 1991 (RMA), please attach the following information to your application:

Accept/Reject

Four copies (including one unbound) of all information, including plans, for all applications. If you are providing a PDF electronic version of all information, only two hard copies are required. Refer to Guidance note 2 for guidance on the preparation of plans.

Application deposit fee – refer to the council's Fees and Charges Schedule. Indicate method of payment below:

<input type="checkbox"/> Cheque attached Amount paid \$ _____	<input type="checkbox"/> Credit card	<input type="checkbox"/> Customer account _____ Customer acc/number: _____
--	--------------------------------------	---

Certificate(s) of Title less than three months old for the site to which this application relates. Attach the title and any consent notices, covenants, easements attached to the title if relevant or affected by the proposed activity.

Locality plan or aerial photo. Indicate the location of the site in relation to the street and other landmarks. Show the street number of the subject site and those of adjoining sites.

Detail(s) of the resource consent(s) being applied for including reference to specific rule(s) and reasons for consent.

An assessment of effects on the environment in accordance with Schedule 4 of the RMA at a level of detail that corresponds with the scale and significance of the effects that the proposed activity may have on the environment. This may require one or more technical specialist reports. Include a full description of the proposed activity, the effects that may be generated and how these would be managed. For more information refer to Schedule 4 of the RMA and the council's Guidance note 1.

An assessment against the matters in Part 2 of the RMA. This may be included in your AEE or in a separate document. For more information refer to Schedule 4 of the RMA and the council's Guidance note 1.

An assessment against any relevant provisions of a statutory document (e.g. district and regional plans, the PAUP DV, National Policy Statements etc.). This may be included in your AEE or in a separate document. For more information refer to Schedule 4 of the RMA and the council's Guidance note 1.

Include other information required by the relevant section of the operative district plan, an operative regional plan, the PAUP DV, the RMA or any regulations made under that act.

Include details (name, postal and site address) of consultation undertaken (including with iwi) and any responses from persons consulted. For more information refer to Schedule 4 of the RMA and Guidance note 1.

A completed checklist where relevant to your application.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

## 14. Additional information – for regional consents or permits only under operative regional plans or the PAUP DV

14.1 Map reference of proposed works: **Please refer to the table attached to this application form**

Use New Zealand Transverse Mercator (NZTM), e.g. 1756730mE 5919740mN.

Ensure that the location of your activity is marked to an accuracy of 10 metres on your location plan. You can obtain your map coordinates and an aerial photo from the Auckland Council GeoMaps (GIS viewer) found on the home page of the council's website, [aucklandcouncil.govt.nz](http://aucklandcouncil.govt.nz)

14.2 **Please provide the map reference of discharge points if relevant.**

Map reference of proposed discharge or take point(s): **Please refer to the table attached to this application form**

Is the discharge/take location on the same property as the application site?

Yes

No

If 'no', complete the details below.

Name or property owner: (If not the same)

Address:

Postcode:

Legal description:

Documentation confirming easement and/or covenants for wastewater, including a certificate of title for the property where the discharge occurs.

If required, also attach land owner approval.

14.3 Give the name of any stream, river or lake (or if the stream is unnamed, state which water body it is a tributary of).

Stream name: **All water bodies are described in Section 11: Description of the Environment (Assessment of Effects on the Environment, Volume 1)**

14.4 **Please indicate the duration for which you are requesting a permit (if relevant):**

**35 years**

years

## 15. Signature of the applicant(s) or agent

**Please read these notes before signing the application form**

### Payment of fees and charges

The council may charge the applicant for all costs actually and reasonably incurred in processing this application. Subject to the applicant's rights under sections 357B and 358 of the RMA to object to any costs, the applicant undertakes to pay all and future processing costs incurred by the council. The council may issue interim invoices for applications. If any steps, including the use of debt collectors and/or lawyers, are necessary to recover unpaid processing costs, the applicant agrees to pay all collection costs. If this application is made on behalf of a trust (private or family), a society (incorporated or unincorporated) or a company, in signing this application the applicant binds the trust, society or company to pay all the above costs and guarantee to pay all the above costs in their personal capacity. Refer to the council's Fees and charges schedule found at: [aucklandcouncil.govt.nz/resourceconsents](http://aucklandcouncil.govt.nz/resourceconsents)

**Note:** Some regional permits include ongoing annual charges in addition to the processing fee. These are payable by the consent holder.

### Development and financial contributions

When granting consent to certain activities, the council may levy a monetary contribution. Development contributions are levied under the Local Government Act 2002 in accordance with the council's Development Contribution Policy. Financial or reserve contributions are levied under the RMA under the relevant district plan. When such contributions become due, the consent holder is responsible for their payment. Unless otherwise advised, the name and contact address of the person responsible for payment of any contributions will be taken as the applicant.

**Alternative contact and address for development and financial contributions:**

Name:

Address:

Postcode:

**Site visit**

By signing this form, if you are the owner of the application site, you confirm that the council may undertake a site inspection.

**Privacy information**

The council requires the information you have provided on this form to process your application under the RMA and to collect statistics. The council will hold and store the information, including all associated reports and attachments, on a public register. The details may also be made available to the public on the council's website. These details are collected to inform the general public and community groups about all consents which have been processed or issued through the council. If you would like to request access to, or correction of any details, please contact the council.

**Declaration for the applicant or authorised agent or other**

**I/we confirm that I/we have read and understood the notes above.**

If a private or family trust is the applicant, at least two New Zealand-based trustees are required to provide contact details and sign this form.

Applicant's name: **The NZ Transport Agency**

Note that in addition to the properties listed in this schedule, the resource consent applications also relate to the properties listed in the property schedules for Proposed Designation (NOR 1) and Proposed Designation Alteration (NOR 2)				
* This is the total surveyed land area from LINZ of the affected property, the activity that consent is sought for may not affect the entire site				
** Where there is no total surveyed land area for LINZ for the affected property, the total land area is derived from GIS data				
*** DCDB is used to define a parcel converted into Landonline from DCDB (Digital Cadastral Database)
