

Tarewa Road intersection improvements - right turn closures

December 2018

Dear Neighbour

Works to upgrade the State Highway 1/Tarewa Road intersection are progressing well. The next stage of the works requires us to close the right turn into Tarewa Road from SH1 and the right turn out of Tarewa Road onto SH1 from **Monday 17 December 2018**.

The right turn closures will remain in place until the new traffic signals are operational, which is planned for early 2020. Removing the right turn in and out of Tarewa Road allows the electric lines and other utilities to be diverted. Encouraging traffic onto other routes will reduce the amount of traffic at the Porowini Avenue/Tarewa Road intersection while the works here are being completed.

WHAT DOES THIS MEAN FOR ME?

- You will not be able to turn right onto SH1 from Tarewa Road.
- You will not be able to turn right onto Tarewa Road from SH1.
- Use alternative routes to Okara and the Whangarei CBD.
- Construction will continue on the Whangarei District Council's upgrade of Porowini Avenue and Tarewa Road.

LOCAL BUSINESSES ON TAREWA ROAD WILL REMAIN OPEN DURING THESE WORKS.

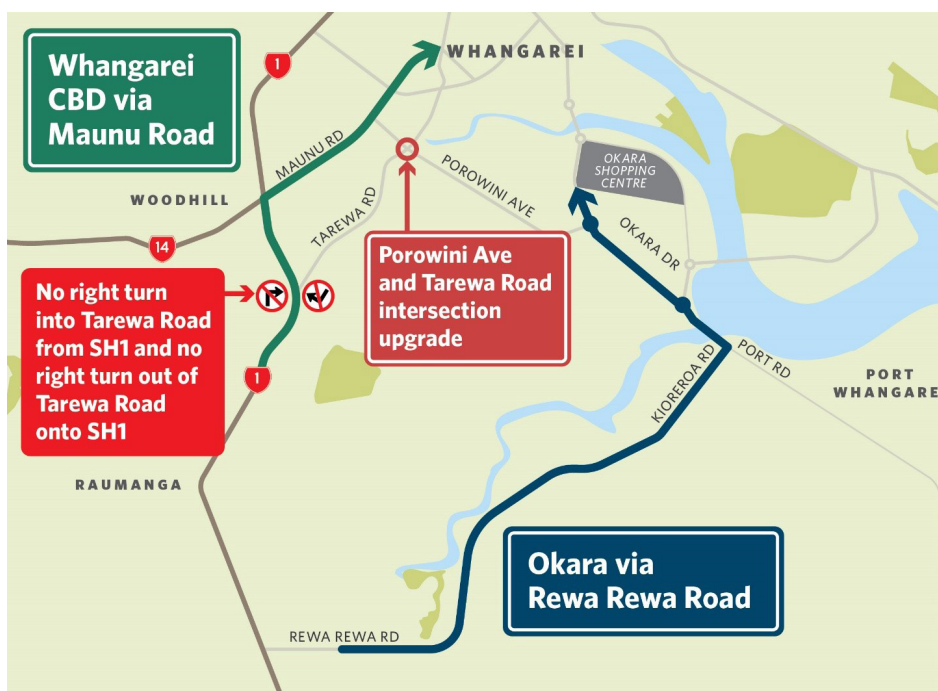

WHY NOW?

The team will soon have completed all the work they can on the utilities on the western side and need to move to the eastern side.

Closing the right turn into Tarewa Road from SH1 and the right turn out of Tarewa Road onto SH1 now will allow people to get used to the alternative routes over the holiday season.

WE THANK YOU IN ADVANCE FOR YOUR PATIENCE WHILE WE UPGRADE THE SH1/TAREWA ROAD INTERSECTION

ALTERNATIVE ROUTES
