

SH1 Tinwald Corridor Improvements

What	We'll be temporarily closing a road
Where	Lagmhor Road, at the intersection with SH1
When	From Monday 25 September, for approximately 2 months.

What are we doing?

From Monday 25 September, we will be working on Lagmhor Road at the intersection with SH1 and the rail level crossing. Our works will include the complete reconstruction of the rail crossing, the upgrade of the traffic signals and the widening and resurfacing of the existing road which requires this road to be closed during this time, as shown below.

Traffic and pedestrian impacts

The road closure will be in place from Monday 25 September for approximately 2 months. There will be no access in or out during this time so please use the signposted detour routes.

Please look out for our staff and follow their instructions. Footpath access around our work site will be maintained during working hours, however from Monday 2 October, for approximately 3 weeks, pedestrian access will temporarily be removed. Pedestrians are advised to use the signposted detour route via the Melcombe St rail crossing.

Please look out for changes in traffic management and follow signs on site. A 30kph speed limit will be in place.

We are doing our best to give you accurate timeframes but unforeseen issues like weather, buried obstructions and unknown services can make work take longer. We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.
