

2 Hawke's Bay Expressway project stages

Key

Stage 1 (underway)

Timeline: 2024-2027, construction of the larger bridge structures and more complex elements may span across into 2028.

(For details view Stage One scope map)

Stage 2

Timeline: Planning starts in 2025, enabling works start during the 2024-27 National Land Transport Programme (NLTP) period, with construction likely to be completed in the 2027-2030 NLTP period.

Stage 3

Timeline: Construction likely to start during the 2030-2034 NLTP period.

Stage 4

Timeline: Construction likely to start during the 2030-2034 NLTP period.

Project works are subject to approvals and funding.
