Your median barrier feedback

"It seems that most accidents occur at intersections"

"Placement of roundabouts is key"

"The faster the speed, the bigger the mess"

"Lower the speed out of Katikati"

"What's the difference hitting a bare bank to hitting an expensive wire cable fence?"

"All the money should have been spent on the Katikati bypass!"

"Single lane roundabouts will be a nightmare with massive holdups"

"Why not just wait and see if the improvements you have done so far are ok?"

"A median barrier would undoubtedly save lives"

"It is not possible to get zero deaths"

"Get the trucks off SH2 or charge them to use it"

"Roundabouts just slow things down"

"A barrier will reduce speeds and remove the danger of head-on crashes"

"It just makes sense to add the middle barrier for the safety of everyone driving the highway"

"A few idiots do not justify the expense"

"Roundabouts give people (like me) a fighting chance of making it out alive each day"

"Anything that will save crashes will be excellent"

"Start this ASAP. Now is already too late"

"The barriers are a band aid"

"Inconvenience to locals having to travel further"
