New Plymouth to Hāwera safety improvements

Junction Street to Burgess Hill section, New Plymouth

Junction Street intersection

This inset map shows the intersection of State Highway 3 and Junction Street. A north arrow is in the top right. An arrow labeled 'New Plymouth' points north, and an arrow labeled 'Inglewood' points south. Callouts include: 'Intersection improvements' pointing to the junction area, and 'Existing southbound passing lane removed' pointing to a lane on the southbound side of the highway.

Mangorei Road intersection

This inset map shows the intersection of State Highway 3 and Mangorei Road. A north arrow is in the top right. An arrow labeled 'New Plymouth' points north, and an arrow labeled 'Inglewood' points south. Callouts include: 'Path for pedestrians and cyclists' pointing to a path along the road; 'Roundabout 28m x 24m' pointing to a roundabout at the intersection; 'Pedestrian/cyclist crossing points including central island refuges' pointing to crossings on the road; 'Existing northbound passing lane removed' pointing to a lane on the northbound side; and 'Offroad cycle path to Burgess Hill Road' pointing to a path branching off to the right.
